Many people claim to be psychic. Palm readers and astrologers claim that they look into the future to help solve personal problems. Mediums claim to help individuals communicate with deceased friends and relatives. Faith healers and psychic surgeons claim to diagnose and cure illness. Psychic detectives offer advice to the police to help solve crime. Alleged psychics have been used to attract followers to religious organizations and as consultants by large businesses. Fred Kaps (1926-1980) wordt gezien als de grootste goochelaar aller tijden. Ter ere van zijn veertigste sterfdag schreef Michel van Zeist een boek over deze drievoudig wereldkampioen goochelen. In 'Fred Kaps, meestergoochelaar' haalt hij herinneringen op met onder anderen dochter Barry Schatz-Bongers en collega Flip Hallema. Ook de gezichten van de Nederlandse goochelkunst? Hans Kazàn, Hans Klok en Victor Mids? delen hun kijk op Kaps en geven hun visie op magie. Vier decennia hebben de fans van Fred Kaps moeten wachten, maar nu worden eindelijk zijn grootste geheimen onthuld. Dit biografische boek geeft inzicht in het leven van de Johan Cruijff van de goochelkunst?. Zijn carrière, repertoire en privéleven worden vanuit verschillende invalshoeken belicht. Je leest alle details van de zouttruc, komt erachter waarom Kaps? kostuums midnight blue moesten zijn en je leert hoe je zelf een meestergoochelaar kunt worden. Wat moet je doen en laten om de top te bereiken? Ook aan Henk Vermeyden (1908-1988), coach en manager van goochelaars, wordt uitgebreid aandacht besteed. Hij richtte de Nederlandse goochelunie (NMU) en de internationale goochelfederatie (FISM) op. Vermeyden was de goocheldandy? die verschillende wereldkampioenen zoals Fred Kaps begeleidde in zijn grachtenpanden aan de Keizersgracht en Kloveniersburgwal in Amsterdam. Vele goochelaars en illusionisten, waaronder Siegfried & Roy, kwamen bij hem langs voor advies. Mede door de verdiensten van Vermeyden was Nederland jarenlang hét goochelland. Wat voor tips en trucs werden er uitgewisseld? HEADLINE PREDICTION (Pro Series 8) By Paul Romhany & Cris Johnson As any seasoned professional performer will tell you, performing a headline prediction is one of the BEST ways to get major publicity. Tony Corinda said it best in 13 Steps To Mentalism, "the headline prediction almost always gets results in getting a story in print, because it is personal to the newspaper." Every time Romhany takes his one man show to a new city he gets FREE newspaper publicity because he involves a local celebrity AND a local newspaper. It is also a great sell to corporate clients as you explain to them they will become involved by being sent something that will be a feature in the show. In this book Paul shares his version, which has been in his professional act for over twenty years. It includes step by step

instructions and photos that will show you exactly how to make this up. Effect: The magician posts a sealed envelope to the client a week prior to the show. At the show the client confirms it is sealed, and has not been tampered with. The performer brings out three different daily newspapers, and a spectator is given a choice of one. The spectator takes the newspaper with sealed envelope, and sits down for the remainder of the show. For the finale, the magician asks the spectator to bring the newspaper and envelope on stage. The spectator opens up the sealed envelope, and reads out the letter, which not only predicts which newspaper the spectator would choose, but also the daily headlines, and certain results of things that happened during the show. BONUS - Cris Johnson also shares his favorite Headline Prediction routine called, 'ConFab Headline Prediction.' This is the exact routine and method that Cris performs in his professional corporate show that uses headlines from the daily papers that are chosen by the audience. Effect: A sealed FedEx envelope is handed out to someone at the beginning of the program. At the end of the program, several local newspapers are handed out to audience members. At the appropriate part of the show, the performer encourages the audience to select their own headlines, phrases or even individual lines of an article out. Upon opening the sealed FedEx envelope the spectator finds another sealed envelope and inside is an index card that has all of the audience-selected material on it in as much detail as the performer cares to have. Both versions are practical and can be used under any working condition from intimate settings to stage work. ANOTHER BONUS ROUTINE Finally Paul Romhany shares a unique version using a prediction rolled up inside a poster tube, that can be used for a headline prediction or any type of prediction effect. This was used by Paul and his wife on board cruise ships for the past twelve years, as well as for solo headline prediction style routines. This unique method uses something most magicians own but Paul uses it in a very different way. Een vernieuwende en confronterende visie op het systeem dat de onderklasse instandhoudt. Leven aan de onderkant is het relaas van een psychiater over het leven in de onderklasse en een felle aanklacht tegen de mentaliteit die mensen daarin gevangen houdt. Dalrymple werkt in een gevangenis en een ziekenhuis in een grote achterstandswijk. Hij baseert zijn analyse op de duizenden gesprekken die hij voerde met daders en slachtoffers van roof, drugsmisbruik, mishandeling en andere vormen van geweld. Het resultaat is een indringend portret van een wereld waarin relaties vluchtig en gewelddadig zijn, waarin vaders afwezig zijn, waarin zelfbeheersing en eigen verantwoordelijkheid niet of nauwelijks een rol spelen. Volgens Dalrymple wordt de onderklasse vooral instandgehouden door het waardereativisme waarvan de westerse wereld sinds de jaren zestig van de twintigste eeuw is doortrokken. Dat komt vooral tot uiting in het goedpraten van criminaliteit door die voor te stellen als een onontkoombaar gevolg van armoede of discriminatie, maar ook in het verdacht maken van prestatiedrang in het onderwijs. Aan de onderkant van de samenleving heeft dit geleid tot een slachtoffercultuur, die verhindert dat mensen hun lot in eigen handen nemen, met alle kwalijke gevolgen van dien. A street magician needs more than sleight-of-hand to survive in this dark, edgy crime thriller . . . After years of chasing fame and hedonistic excess in the bright lights of Las Vegas, Rusty "The Raven" Diamond has returned home to Ocean City, Maryland, to piece his life back together. When he finds himself an innocent suspect in his landlord's brutal murder, Rusty abandons all hope of maintaining a tranquil existence. Acting on impulse, he digs into the investigation just enough to anger both the police and a local drug cartel. As the case grows more complex, claiming new victims and inciting widespread panic, Rusty feels galvanized by the adrenaline he's been missing for too long. But his newfound excitement threatens to become an addiction, leading him headfirst into an underworld he's been desperately trying to escape . . . This is the first in the series featuring an illusionist-turned-sleuth by the author of The Platinum Loop, which was praised by Publishers Weekly as "pulp fun at its best." Are your marketing experts really experts? Or did they simply buy their credentials from a diploma mill? Get ready for The Guru Hoax to be revealed. Behind door number one: a marketing consultant with 30-plus years' experience of success. Behind door two: out-of-work frauds and recently graduated wannabes disguised as advertising and branding gurus. Who will YOU pay to create YOUR marketing? Jay Huling will show you their schemes, ruses, tricks, cons, gaffs, and lies . . . and how they use the truth to fool you. These are just my

opinions and you should take from this what you can and make it your own. This should not be taken as a step by step manual. I wrote this because I wanted to prove that you dont need to be the worlds best magician to perform and create the worlds best magic. Everyone has the capability to become as big as they want to be. In here you will find everything you need to improve your career in magic. Everything is covered from performance and stage presence, to the business side of it such as how to get the gigs and make an impression. I even give you a sample contract which you can use. Ive also included a couple of my own works that have been tested in the real world. If I was able to help anyone in anyway then this was worth it. Always strive to better yourself in everything you do. I encourage all of you to delve into yourselves, thats where you will find true magic. Mystify Your Mind! 30 Astonishing Mentalism (Mind Control) Effects. With a little effort and practice you will have people at your mercy with some truly mind blowing tricks! Also good for family and friends if entertaining or going to a party. But hey, If you dont want any of that.. Dont buy it. ;)

NATIONAL BESTSELLER • The Great Escape for the Great War: the astonishing true story of two World War I prisoners who pulled off one of the most ingenious escapes of all time. FINALIST FOR THE EDGAR® AWARD • ONE OF THE BEST BOOKS OF THE YEAR: The Washington Post, NPR • “Fox unspools Jones and Hill’s delightfully elaborate scheme in nail-biting episodes that advance like a narrative Rube Goldberg machine.”—The New York Times Book Review Imprisoned in a remote Turkish POW camp during World War I, having survived a two-month forced march and a terrifying shootout in the desert, two British officers, Harry Jones and Cedric Hill, join forces to bamboozle their iron-fisted captors. To stave off despair and boredom, Jones takes a handmade Ouija board and fakes elaborate séances for his fellow prisoners. Word gets around, and one day an Ottoman official approaches Jones with a query: Could Jones contact the spirit world to find a vast treasure rumored to be buried nearby? Jones, a trained lawyer, and Hill, a brilliant magician, use the Ouija board—and their keen understanding of the psychology of deception—to build a trap for their captors that will ultimately lead them to freedom. A gripping nonfiction thriller, *The Confidence Men* is the story of one of the only known con games played for a good cause—and of a profound but unlikely friendship. Had it not been for “the Great War,” Jones, the Oxford-educated son of a British lord, and Hill, a mechanic on an Australian sheep ranch, would never have met. But in pain, loneliness, hunger, and isolation, they formed a powerful emotional and intellectual alliance that saved both of their lives. Margalit Fox brings her “nose for interesting facts, the ability to construct a taut narrative arc, and a Dickens-level gift for concisely conveying personality” (Kathryn Schulz, *New York*) to this tale of psychological strategy that is rife with cunning, danger, and moments of high farce that rival anything in *Catch-22*. Beginning in 1870, the hunger for scientific discovery in Great Britain drove prominent scientists, philosophers and others to promote the legitimacy of telepathy. At the same time, mind-reading as a form of entertainment gained increasing popularity as persuasive performers like John Randall Brown, W.I. Bishop, and Stuart C. Cumberland convinced reporters that they truly could read the thoughts of others. The widely publicized, sometimes bizarre, interactions between scientists and these charlatans ushered in the Thought Reader Craze, a period that lasted through about 1910 and saw entertainers make and lose fortunes and scientists make and lose reputations. This volume explores this unusual cultural phenomenon, showing how it was aided through the years by public scientific pronouncements, astonishing performances by the thought readers, and the rapidly changing industrial society. Many people believe that they have experienced paranormal phenomena and others claim to possess psychic abilities. For the past hundred years or so, researchers have undertaken systematic and scientific work into these alleged experiences and abilities. This collection of articles provides readers with a general sense of the methods used in this research, the findings that have been obtained and the controversies generated by this work. They cover a wide range of issues, including the psychology of paranormal belief, investigations into ghosts and hauntings, laboratory research into extra-sensory perception and psychokinesis, and controlled tests of psychics and mediums. An introductory essay sets each of the selected papers in context and provides additional references for those wishing to delve deeper into the issues surrounding each of the areas covered. *The Encyclopedia of Pseudoscience* is

the first one-volume, A-to-Z reference that identifies, defines, and explains all of the terms and ideas dealing with the somewhat murky world of the "almost sciences". Truly interdisciplinary and multicultural in scope, the Encyclopedia examines how fringe or marginal sciences have affected people throughout history, as well as how they continue to exert an influence on our lives today. This comprehensive reference brings together: superstitions and fads that are part of popular culture, such as fortune telling; healing practices once thought marginal that are now become increasingly accepted, such as homeopathy and acupuncture; frauds and hoaxes that have occurred throughout history, such as UFOs; mistaken theories first put forward as serious science, but later discarded as false, such as phrenology and racial typing, etc. More than 2000 extensively cross-referenced and illustrated entries cover prominent phenomena, major figures, events topics, places and associations.

https://en.wikipedia.org/wiki/Thirteen_Steps_To_Mentalism A revolutionary, soups-to-nuts approach to network security from two of Microsoft's leading security experts. Le mentalisme est un art de la scène dans lequel ses praticiens, appelés mentalistes, semblent faire preuve de capacités mentales ou intuitives très développées. Les performances peuvent sembler inclure l'hypnose, la télépathie, la clairvoyance, la divination, la précognition, la psychokinésie, la médiumnité, le contrôle mental, les exploits de mémoire, la déduction et les mathématiques rapides. Les mentalistes sont parfois classés dans la catégorie des artistes psychiques, bien que cette catégorie contienne aussi des artistes non mentalistes tels que des lecteurs psychiques et des bizarristes. Une grande partie de ce que les mentalistes modernes accomplissent dans leurs actes peut être retracée directement aux « tests » du pouvoir surnaturel qui ont été effectués par les médiums, les spiritualistes et les voyants au 19ème siècle. Cependant, l'histoire du mentalisme remonte encore plus loin. Des récits de voyants et d'oracles se trouvent dans les ouvrages des Grecs anciens et dans l'Ancien Testament de la Bible. Parmi les magiciens, la performance de mentalisme généralement citée comme l'une des plus anciennes jamais enregistrées fut celle du diplomate et magicien pionnier Girolamo Scotto en 1572. L'exécution du mentalisme peut utiliser ces principes avec des tours de passe-passe, des feintes, des erreurs d'orientation et d'autres compétences de la magie de rue ou de scène. Les styles de présentation peuvent varier considérablement. Des artistes traditionnels comme Dunninger et Annemann attribuaient leurs résultats à des compétences surnaturelles ou psychiques. Certains interprètes contemporains, comme Derren Brown, attribuent leurs résultats à des habiletés naturelles, comme la capacité de lire le langage corporel ou de manipuler le sujet de façon subliminale par le biais de suggestions psychologiques. For the modern mentalist finally a complete treatise on the methods of mentalism that speaks to you! The book aims to practice, the way in which achieve the effects. In this book you can find the principles used in mentalism, forcing, multiple outputs, the choice of magic, the technique of step ahead of the viewer, the dual reality that the subliminal suggestions. You will learn the effects of the great mentalists, touch a person at a distance (3 methods), revealing the pin of a credit card or the phone of a friend and other information. You will know all of the tools used by mentalists and an incredible pre-order the deck of cards (SI Stebbins)'ll pass then to the metal bending, spoons, keys and forks. You'll get cold reading scripts and hypnosis to be used immediately. You'll discover the art of pseudo hypnosis and finally to improvise a version of Berglas Effect. If you are looking for something really practical that you talk about methods and get straight to the point "Modern Mentalism" is what's right for you. In this ebook you will find: - Multiple outs principle - Mind reading with "one step forward" principle - Mind-reading nail writer - Force - Revelation of the skin tattooed card - Muscle reading with pendulum dowsing - Zener cards and sound reading - An incredible method to perform a mind reading - Memorize the sequence of an entire deck shuffled by the spectator and reveal a card in the position indicated by the spectator - Dual reality - Mind reading through visual signals - Revelation of the PIN for an unknown credit card - Subliminal suggestions, psychological methods - Book Test - Find out which hand is hidden a coin in, with tricks and psychological methods - Pateo force - Magic Choice - A spectator thinks of something, the mentalist calls a psychic friend and passes the phone to the viewer which will be revealed his thoughts - A person touches an object without the mentalist seeing it, the mentalist still can

find out who has touched the object - Synchronized drinks - Improvised partners - Psychokinetic touch (3 methods), you can touch a person at a distance - Stop Heartbeat - Invisible deck - Si Stebbins Deck - Svengali Deck - Carbon paper - Peek wallet - wallet for mentalists - TV methods, preshow, partners, hypnosis - Bending metal, keys, spoons, forks, different methods - Cold reading - practical script ready for use - Pseudo Hypnosis - Hypnosis, what is hypnosis, hypnotic induction, hand glued to the table, amnesia of the name - Berglas Effect - improvised version - Bonus - unpublished effect, the mentalist comes on stage carrying a box he places on a table in spectators' view. Invite a spectator on the stage and ask him to think of something. The spectator opens the box on the coffee table the mentalist never touched and finds inside is inside the exact prediction of what he thought. Including authentic background information on recorded telepathy demonstrations and objective evidence of mindreading, Ormond McGill offers the opportunity to practice and hone your own natural telepathic abilities. " A spectacular piece of work ... an exciting and fascinating volume of enormous mental experiments that will enthrall your audiences over and over again." The beginner's guide to mental magic No rabbits. No wands. Just dozens of first-rate effects, illusions, and tricks guaranteed to amaze. Mind Magic & Mentalism For Dummies pulls back the curtain and introduces the secret world of mentalism for the first time. With this book and the included DVD, budding practitioners have everything they need to master some of the most astounding illusions imaginable from exercising psychic powers and reading minds to harnessing mental energy to control fire and bend metal from across the stage. Each effect in the book is presented from three perspectives: what the audience sees, how the trick is performed, and how to present it in a way that thrills spectators, making it the comprehensive, essential guide to blowing your audience away. The DVD includes performances of many of the effects outlined in the book to help readers put the information into action Provides both introductory-level lessons on the art of performing and a host of great effects that will meet the needs of beginners Mind Magic & Mentalism For Dummies is the essential introduction to this mysterious art that can seemingly provide readers with the powers of clairvoyance, mind control, divination, and precognition. Note - CD-ROM/DVD and other supplementary materials are not included as part of the e-book file, but are available for download after purchase. Would you believe that you could ask a full-grown man to hold a penny for you and then tell him to drop it and finds he can't, hard as he may try? In what is undoubtedly the most original magic book of our time, John Fisher shows the reader how, with minimal practice, he can use the marvels of the human body to entertain and mystify friends and family, small and large audiences. This book is first of all a delight to read because of the instant education it provides us with about the unknown powers we have in our hands, our eyes, our noses, and our incredible nervous system. In each case, Mr. Fisher shows the easy-to-grasp principle first and then how to put the principle to work in actual tricks. Most magic books require a great deal of study and dexterity. This one enables you to entertain people even before you have finished the book. Moreover, you never have to worry about being prepared, because you always have with you all the miraculous things you need—your hands, your eyes, and the rest of your body. New Biography Shows Celebrity Spoon Bender, Uri Geller, Secretly Worked for U.S. Intelligence Agencies This authorized biography of Uri Geller tells his life story and explores recent claims about his clandestine work with the CIA and the Israeli intelligence agency, the Mossad, during and after the Cold War. Geller is best-known for his Vegas-style act where he bends spoons, describes hidden drawings, and performs other paranormal feats. Technology journalist and former Time magazine correspondent, Jonathan Margolis, worked alongside Geller and Oscar-winning filmmaker Vikram Jayanti on the book, to be published October 15th Jayanti debuted a documentary at the Sheffield (UK) Film Festival commissioned by the BBC and entitled, The Secret Life of Uri Geller: Psychic Spy? Jayanti directed the Muhammad Ali documentary, When We Were Kings. "Now there is the internet and the NSA's ability to monitor massive amounts of chatter around the world," says Margolis. "40 years ago, however, intelligence agencies needed to explore way-out ways of monitoring the bad guys. The people I interviewed on-the-record for the book were adamant that Uri Geller wasn't only able to gather secret information remotely and perform other espionage tasks, but was extremely good at it." Throughout his

career, Uri Geller has courted controversy. He is known globally as an entertainer and friend of pop star, Michael Jackson, who was best man at the renewal of Geller's wedding vows. He also made millions as a psychic adviser to the oil industry, but as a paranormalist was humiliated in a 1974 appearance on 'The Tonight Show' with Johnny Carson. And yet there are photographs from 1987 of Geller together with Al Gore, Yuli M. Vorontsov, First Deputy Foreign Minister of the Soviet Union, and several other high ranking US officials at nuclear arms limitation talks between the U.S. and the Soviet Union. What was Geller doing in these pictures? Margolis brings proof that Geller was there at the invitation of the chairman of the Senate Foreign Relations committee to influence Vorontsov's to sign the treaty. There is also new testimony from a living senior former CIA official and others who worked for the Agency confirming that Geller was exhaustively laboratory tested on behalf of the CIA, and was used as an intelligence asset of the CIA and Defense Intelligence Agency - and that under President Carter's presidency, using psychics in intelligence matters was known about and accepted at the White House. Michael Mann, publisher at large for Watkins, said: "Uri is world-famous for mind reading and spoon bending but his work with the CIA and Mossad during the 60s and 70s as well as, it seems, in post 9/11 times, has until now remained secret. The Secret Life of Uri Geller tells the real story of his extraordinary life and his alleged continuing undercover work for the West's major spy agencies."

In the sordid streets of Victorian London, unwanted desire flares between two bitter enemies brought together by a deadly secret. Crusading journalist Nathaniel Roy is determined to expose spiritualists who exploit the grief of bereaved and vulnerable people. First on his list is the so-called Seer of London, Justin Lazarus. Nathaniel expects him to be a cheap, heartless fraud. He doesn't expect to meet a man with a sinful smile and the eyes of a fallen angel—or that a shameless swindler will spark his desires for the first time in years. Justin feels no remorse for the lies he spins during his séances. His gullible clients simply bore him. Hostile, disbelieving, utterly irresistible Nathaniel is a fascinating challenge. And as their battle of wills and wits heats up, Justin finds he can't stop thinking about the man who's determined to ruin him. But Justin and Nathaniel are linked by more than their fast-growing obsession with one another. They are both caught up in an aristocratic family's secrets, and Justin holds information that could be lethal. As killers, fanatics, and fog close in, Nathaniel is the only man Justin can trust—and, perhaps, the only man he could love. Don't miss any of the captivating Sins of the Cities novels: AN UNSEEN ATTRACTION | AN UNNATURAL VICE | AN UNSUITABLE HEIR And look for the enticing Society of Gentlemen series by KJ Charles: THE RUIN OF GABRIEL ASHLEIGH | A FASHIONABLE INDULGENCE | A SEDITIOUS AFFAIR | A GENTLEMAN'S POSITION Praise for An Unnatural Vice "Explosive."—Publishers Weekly "Animosity and attraction surge in equal measures when Nathaniel Roy, investigative journalist, faces off against Justin Lazarus, the Seer of London. Their opposing vocations and radically different backgrounds create a powerful and fascinating conflict. Although this book can be read as a stand-alone, [K. J.] Charles continues to build tension and add menace by deepening the overarching mystery introduced in the first novel. The series is definitely building to a firecracker conclusion."—RT Book Reviews "An Unnatural Vice is a tremendous follow-up to the first book in the Sins of the City trilogy. Fans of the series—and of K. J. Charles—will love the romance between Nathaniel and Justin, and the Taillefer family mystery. . . . An Unnatural Vice is exciting, entertaining, romantic—and wonderful."—All About Romance Includes an excerpt from another Loveswept title.
