Zeer beklemmende, originele thriller waarin de fascinatie van een jonge politieagente voor Jack the Ripper haar duur komt te staan... Ondanks haar fascinatie voor de negentiende-eeuwse seriemoordenaar Jack the Ripper heeft de jonge Londense politieagente Lacey Flint nog nooit aan een moordonderzoek gewerkt. Totdat er op een avond een vrouw hevig bloedend door messteken over Laceys auto leunt, in haar armen valt en sterft. Als getuige moet Lacey een gepaste afstand tot de moordzaak houden, maar wanneer ze via een journaliste een brief ontvangt waarin een verwijzing naar Jack the Ripper en naar Lacey staat, blijkt dat onmogelijk. Is er een copycat killer aan het werk? Lacey weet als geen ander dat er volgens het patroon van de negentiende-eeuwse moorden nog meer slachtoffers gaan vallen. En zij kan weleens de volgende zijn...

A riveting and dramatic story of two devoted sisters, Italian citizens, who must survive in WWII Japan. In 1940, when Simona is eight and her sister, Carolina, is five, their father becomes the cook to the Italian ambassador to Japan, and the family leaves Italy for Tokyo. The girls learn perfect Japanese, make friends, and begin to love life in their new home. But soon Japan is engaged in a world war. In 1943, when all Italians in Japan are confined to internment camps as enemy aliens, Papà and the girls are forced to part, and Simona and Carolina embark on a dramatic journey. Anyone who aids them could be arrested for treason. All the sisters have is each other: their wits, courage, and resilience, and the hope that they will find people who see them not as the enemy, but simply as children trying to survive. In this gripping, deeply moving story, Donna Jo Napoli gives readers an unforgettable and authentic new perspective on World War II. The New York Times bestseller and National Book Award finalist *Killers of the Flower Moon* is now adapted for young readers. This book is an essential resource for young readers to learn about the Reign of Terror against the Osage people--one of history's most ruthless and shocking crimes. In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma, thanks to the oil that was discovered beneath their land. Then, one by one, the Osage began to die under mysterious circumstances, and anyone who tried to investigate met the same end. As the death toll surpassed more than twenty-four Osage, the newly created Bureau of Investigation, which became the FBI, took up the case, one of the organization's first major homicide investigations. An

undercover team, including one of the only Native American agents in the bureau, infiltrated the region, struggling to adopt the latest modern techniques of detection. Working with the Osage, they began to expose one of the most chilling conspiracies in American history. In this adaptation of the adult bestseller, David Grann revisits his gripping investigation into the shocking crimes against the Osage people. The book is a searing indictment of the callousness and prejudice toward Native Americans that allowed the murderers to occur for so long. This inspiring memoir, now adapted for young adults, chronicles Top Chef star and Forbes and Zagat 30 Under 30 phenom Kwame Onwuachi's incredible and odds-defying fame in the food world after a tough childhood in the Bronx and Nigeria. Food was Kwame Onwuachi's first great love. He connected to cooking via his mother, in the family's modest Bronx apartment. From that spark, he launched his own catering company with twenty thousand dollars he made selling candy on the subway and trained in the kitchens of some of the most acclaimed restaurants in the country. He faced many challenges on the road to success, including breaking free of a dangerous downward spiral due to temptation and easy money, and grappling with just how unwelcoming the world of fine dining can be for people of color. Born on Long Island and raised in New York City, Nigeria, and Louisiana, Kwame Onwuachi's incredible story is one of survival and ingenuity in the face of adversity. Praise for the adult edition of NOTES FROM A YOUNG BLACK CHEF "Kwame Onwuachi's story shines a light on food and culture not just in American restaurants or African American communities but around the world." --Questlove "Fierce and inspiring. . . . This rip-roaring tale of ambition is also a sobering account of racism in and out of the food industry." --New York Times Book Review

In the hottest hour of the hottest day of the year, a fateful wind blows into Oaxaca City. It whistles down cobbled streets and rustles the jacaranda trees before slipping into the window of an eleven-year-old girl named Clara. Unbeknownst to her, Clara has been marked for la Lotería. Life and Death deal the Lotería cards but once a year, and the stakes could not be higher. Every card reveals a new twist in Clara's fate—a scorpion, an arrow, a blood-red rose. If Life wins, Clara will live to a ripe old age. If Death prevails, she'll flicker out like a candle. But Clara knows none of this. All she knows is that her young cousin Esteban has vanished, and she'll do whatever it takes to save him, traveling to the mythical Kingdom of Las Pozas, where every action has a price, and every choice has consequences. And though it seems her fate is sealed, Clara just might have what it takes to shatter the game and choose a new path. How did Little Women-- the beloved literary classic and inspiration for Greta Gerwig's acclaimed feature film adaptation--come to be? This stunning biography explores the unique family and unusual circumstances of literary icon Louisa May Alcott. Meg, Jo, Beth, and Amy. How did these cherished characters come to be? Louisa May Alcott, the author of one of the most famous "girl" books of all time, was anything but a well-mannered young lady. A tomboy as well as a ravenous reader, Louisa took comfort in fictional characters that were as passionate and willful as she was--and whose wild imaginations were a match for her own. She was often found roaming the woods near her home in Concord, Massachusetts, or exploring the natural world in the company of the great Transcendentalist thinkers Ralph Waldo Emerson and Henry David Thoreau. Here is a beautiful portrait of Louisa May Alcott, a woman influenced by her father, a penniless philosopher, her mother, with whom she shared a great connection, and, of course, her three sisters. Featuring unique indigo illustrations, Deborah Noyes unveils how Louisa's natural spirit, loving family, and unconventional circumstances inspired the timeless masterpiece that is Little Women. For fans of Lovecraft Country and Candyman comes a witchy story full of Black girl magic as one girl's dark ability to summon the dead offers her a chance at a new life, while revealing to her an even darker future. Katrell can talk to the dead. And she wishes it made more money. She's been able to support her unemployed mother--and Mom's deadbeat-boyfriend-of-the-week--so far, but it isn't enough. Money's still tight, and to complicate things, Katrell has started to draw attention. Not from this world--from beyond. And it comes with a warning: STOP or there will be consequences. Katrell is willing to call the ghosts on their bluff; she has no choice. What do ghosts know of having sleep for dinner? But when her next summoning accidentally raises someone from the dead, Katrell realizes that a live body is worth a lot more than a dead apparition. And, warning or not, she has no intention of letting this lucrative new business go. Only magic isn't free, and dark forces are coming to collect. Now Katrell faces a choice: resign herself to poverty, or confront the darkness before it's too late. A lyrical and heartfelt collection by an award-winning writer that connects the lives of young people from small towns in Alaska and the American west. Each story is unique, yet universal. In this book, the impact of wildfire, a wayward priest, or a mysterious disappearance ricochet across communities, threading through stories. Here, ordinary actions such as ice skating or going to church reveal hidden truths. One choice threatens a lifelong friendship. Siblings save each other. Rescue and second chances are possible, and so is revenge. On the surface, it seems that nothing ever happens in these towns. But Bonnie-Sue Hitchcock shows that underneath that surface, teenagers' lives blaze with fury, with secrets, and with love so strong it burns a path to the future.
