DigiCat Publishing presents to you this special edition of "The Chinese Nightingale, and Other Poems" by Vachel Lindsay. DigiCat Publishing considers every written word to be a legacy of

humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature. Young readers learn about the world around them in many ways. Poems such as “My Shadow” express the feelings of novelty readers may have as they go about their days. Including charming illustrations to accompany each poem, this volume presents understandable works by some well-known poets, such as Robert Louis Stevenson, Henry Wadsworth Longfellow, and William Blake. Funny riddles and wordplay introduce readers to the playful side of poetry, while the rhyme and rhythm exposes them to important language arts concepts. One of the great pleasures of reading and writing poetry is hearing how words sound together. “Calico Pie” takes readers to the “syllabub sea,” and the other 22 poems in this volume similarly showcase rhyme, creative word choice, and imagery that are as fun to read aloud as they are to imagine. Readers are also introduced to great writers such as Alfred, Lord Tennyson, Robert Burns, and more. Complemented by lovely illustrations, each poem helps engage readers with skills taught in the language arts curriculum. *Lyrical Ballads*, published as a single volume in 1798, then in 1800 as a two-volume set including new poems, is widely regarded as having inaugurated the Romantic Revolution in poetry. The present edition provides the first comprehensive textual history - from earliest manuscript to final lifetime printing - of the poems published in *Lyrical Ballads*, and of contemporaneous short poems by Wordsworth. For those poems originally published in 1800, this edition is the first to be based on the printer's manuscript approved by Wordsworth. A richly detailed editors' introduction examines the conception of the *Lyrical Ballads*, the chronology of composition of its contents, the roles of the two authors, Wordsworth and Samuel Taylor Coleridge, their complex dealings with publishers and printers, and the reception of the

volumes. Drawing on 78 different manuscripts, the edition provides 113 photographic facsimiles accompanied by transcriptions on facing pages. It offers an extensive apparatus incorporating all variant readings and nonverbal variants, as well as appendixes including variants in Coleridge's Rime of the Ancient Mariner and the other poems that he contributed to the collection. Among the distinctive features of this edition are the Mathew elegies, three texts for "Nutting," and a chronology of the work of the fertile Goslar period in which *The Prelude* was begun. A dozen poems are printed here for the first time, or are printed in previously unpublished versions, and hundreds of fresh readings are supplied, many of them from the largely unpublished early manuscripts of "Michael." Presenting a full record of three of the most important years in Wordsworth's career, this long-awaited addition to the Cornell Wordsworth will be an essential resource for scholars and students of English romanticism.

Excerpt from *Heaven on Earth and Other Poems* In 1919 a small edition of my book, *Heaven on Earth and Other Poems* appeared. Since its publication I have written several poems and also made slight corrections in a few of my poems formerly published. This Second Edition Enlarged contains sixty - five of my poems and two of my prose sketches, divided into Later and Early Poems. I have had an aim and a purpose in writing poetry and prose. I wrote *Heaven on Earth*, *Greetings From Puget Sound*, *The Soul of the Poet*, *The Blooms of Deschi*, and others, for the purpose of instilling into the human soul a love for the beautiful, grand and sublime. I wrote *Emblem of Freedom and Spirit of Liberty* to show that a citizen of this country must be true at heart to be an American - native born or adopted. Men and women must be brave, pure and loyal. I wrote *King Bacchus*, *The Crimson Cup*, *Reflections of Pete La boe*, and others, to reveal evil and wrong. We have to show up and break up evil and wrong to permit the ihflowing and infilling of sunshine. I wrote *Uncle Sam in Prophecy* about three months before the signing of the armistice with

Germany. The purpose of this poem is to show the great work that the United States has been doing and will be doing for the good of the world. In brief, all of my poems and prose sketches have an aim and a purpose. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The description for this book, *The Survivors and Other Poems*, will be forthcoming. The modern American poet reflects on love, death, freedom, man's struggle for self-awareness, and the passage of time Before Willa Cather went on to write the novels that would make her famous, she was known as a poet, the most popular of her poems reprinted many times in national magazines and anthologies. Her first book of poetry, *April Twilights*, was published in 1903, but Cather significantly revised and expanded it in a 1923 edition entitled *April Twilights and Other Poems*. This Everyman's Library edition reproduces for the first time all the poems from both versions of *April Twilights*, along with a number of uncollected and previously unpublished poems by Cather, as well as an illuminating selection of her newly released letters. In such lyrical poems as "The Hawthorn Tree," "Winter at Delphi," "Prairie Spring," "Poor Marty," and "Going Home," Cather exhibits both a finely tuned sensitivity to the beauties of the physical world and a richly symbolic use of the landscapes of myth. The themes that were to animate her later masterpieces found their first expression in these haunting, elegiac ballads and sonnets. 'Where does the creative act come from? No one knows. All the rash of

literature in recent times from artists, scientists and theologians on the subject of consciousness finds its origin in this puzzle. Creating what has happened to one into an art form has one effect: it dissolves the barrier between the present and the past. The past is constantly stimulated into life by present experiences particularly when listening to someone else relating their experiences. It brings me then into a close sharing of experience with the other. Analytic theories are substitutes for these personal experiences. So these poems are a few casual glimpses when the spirit has risen to the challenge. They are not a big offering but they mean a lot to me. The most important of these is the long poem IN-GRATITUDE which comes first. This book is almost entirely written in 19 line terza rima form. Its subject is mortality and mutability and traces a vivid arc from cradle to grave with particular emphasis on how early childhood events affect better or worse later adult behavior and experience. Here are twenty-four hilarious poems about school, where all kinds of unexpected things happen. From an unusual pledge of allegiance and jungle gym gossip to recess rules and the rules of addition, Carol Diggory Shields captures the experiences of schoolgoers with wit and verve. This rollicking collection is sure to keep readers laughing until summer vacation. ?A frisky collection....Kids will greet Athe poems? with enthusiasm.? ?School Library Journal Carol Diggory Shields and Paul Meisel also collaborated on I Am Really a Princess (Dutton and Puffin) and I Wish My Brother Was a Dog (Dutton). Carol Diggory Shields lives in Salinas, California. Paul Meisel lives in Newtown, Connecticut. A reflection of life, Haiku and other Poems , is the first book of poems published by the author. In its entirety the poems touch the imagination and express the feelings of love, hope, peace and joy, longing and nostalgia, even anguish, sorrow and pain. An oddly diverse group of twenty-nine people meet at an inn. Each of them is on a pilgrimage to a martyr's shrine in Canterbury. The Host suggests the strange bunch journey together and tell stories to pass

the time. The group heads off, including a Knight, a Miller, a Wife, a Cook, a Shipman, and a Nun, among others, telling stories that range from bawdy exploits to foolish workers to the lives of saints. A classic of English literature, this unabridged version of Geoffrey Chaucer's *The Canterbury Tales* was first published in the early 1400s and edited into modern English by D. Laing Purves in 1879. Purves's collection of Chaucer's works also contains *Troilus and Cressida* and additional poems and prose. Excellent sample of strikingly original poems includes *The Wreck of the Deutschland*, "Carrion Comfort," "The Caged Skylark," and more. Beat movement icon and visionary poet, Allen Ginsberg broke boundaries with his fearless, pyrotechnic verse. This volume brings together the poems that made his name as a defining figure of the counter-culture. The apocalyptic 'Howl' became the subject of an obscenity trial when it was first published in 1956. Dark, ecstatic and rhapsodic, it shows why Ginsberg was one of the most influential poets of the twentieth century. On a blue day a rainbow wraps the sky with bright ribbons. 'The Rainbow' Well-known poet and author Paula Green combines with the talents of Myles Lawford to create a unique poetry book for children. 'It fizzes like a just-opened bottle of soda. It sprints like the Beatles running through a train station. It talks a mile a minute like a person swept away in the druggy lunacy of a serious crush... There have been moments when, for me, its effervescence has failed to rhyme with the despondency of these days. But far more often, *Love and Other Poems* has felt like a long-awaited remedy' *New York Times* *Love and Other Poems* is full of praise for the world we live in. Taking time as an overarching structure - specifically, the twelve months of the year - Alex Dimitrov elevates the everyday, and speaks directly to the reader as if the poem were a phone call or a text message. From the personal to the cosmos, the moon to New York City, the speaker is convinced that love is 'our best invention'. Dimitrov never resists joy, even in despair. These poems are curious about who we are as

people and shamelessly interested in hope. David J. Murray's *Confusion Matrix and Other Poems* is a collection of poetry that weaves together many different components of life using the thread of our most unavoidable emotion—confusion. Language and content combine beautifully as Murray seamlessly blends concrete detail into abstraction. This mellifluous marriage of the tangible and the universal shows that confusion is an emotion as valuable to the human experience as fear or grief or even love. We move smoothly from one aspect of life to another, from one poem to the next, carried along by the familiar and inevitable undercurrent of confusion. The title work, "Confusion Matrix", takes us on a winding, existential path through the confusion created by man's examination of nature, love and life itself. This epic saga is followed by ten sets of poems, each with a specific theme, including art, music and even madness. Whether about a change in seasons or an unthinkable tragedy, Murray's extraordinary poems speak to the questions we all ask ourselves during the most quiet and thoughtful moments in life.
