My Door is Always Open is the complete and definitive set of interviews between Pope Francis and Jesuit priest Antonio Spadaro. In the summer

of 2013, Pope Francis gave three extended interviews to Spadaro, the head of La CiviltÀ Cattolica (Catholic Civilisation), a Catholic periodical based in Rome, in which he spoke at length about his background, his Faith, and his vision for the Roman Catholic Church. Here, at last, is the complete collection of the interviews with a full commentary by Spadaro, the interlocutor and commentator. In this compelling and engrossing dialogue, Antonio Spadaro introduces a Pope of great intellect and intelligence, who for the first time gives a rounded and substantial account of where he may lead the Roman Catholic Church in the years to come. Insightful and sincere, Pope Francis expounds upon the contemporary issues facing the Church, including the role of women and his experiences at the heart of Church governance, and he and Spadaro discuss at length the major issues facing religion around the world. Including accounts of Pope Francis' visit to Brazil for World Youth Week, My Door is Always Open is the first book written by the Pope since he was elected and is the most convincing and persuasive guide to Pope Francis's vision as one of the most charismatic figures of our time. Happy journaling! Rosalie Laurent is the proud owner of Luna Luna, a little post-card shop in St. Germain, and if it were up to her, far more people would write cards. Her specialty is producing "wishing cards," but where her own wishes are concerned the quirky graphic artist is far from lucky. Every birthday Rosalie sends a card inscribed with her heart's desire fluttering down from the Eiffel Tower - but none of her wishes has ever been fulfilled. Then one day when an elderly gentleman trips up in her shop and knocks over a post-card stand, it seems that her wish cards are working after-all. Rosalie finds out that it is Max Marchais, famed and successful author of children's books who's fallen into her life. When he asks her to illustrate his new (and probably last) book, Rosalie is only too glad to accept, and the two - very different - maverick artists become

friends. Rosalie's wishes seem to be coming true at last, until a clumsy American professor stumbles into her store with accusations of plagiarism. Rosalie is hard pressed to know whether love or trouble is blowing through her door these days, but when in doubt, she knows that Paris is Always a Good Idea when one is looking for the truth and finding love. It's been seven years since Chelsea Martin embarked on her yearlong postcollege European adventure. Since then, she's lost her mother to cancer and watched her sister marry twice, while Chelsea's thrown herself into work, becoming one of the most talented fundraisers for the American Cancer Coalition, and with the exception of one annoyingly competent coworker, Jason Knightley, her status as most successful moneymaker is unquestioned. When her introverted mathematician father announces he's getting remarried, Chelsea is forced to acknowledge that her life stopped after her mother died and that the last time she can remember being happy, in love, or enjoying her life was on her year abroad. Inspired to retrace her steps—to find Colin in Ireland, Jean Claude in

France, and Marcelino in Italy—Chelsea hopes that one of these three men who stole her heart so many years ago can help her find it again. From the start of her journey nothing goes as planned, but as Chelsea reconnects with her old self, she also finds love in the very last place she expected. PERFECT gift under 10\$ A trip through America's South, in and out of discontented time, written in a world incautiously becoming too saturated with burdensome historical figures and family members, celebrations, pleasures the pleasures of shadows: The good oblivion the world hurls itself to. Live an objective life, observe all the things we don't want to exist, the extremes we believe do not exist. "The Brief Life Is Always the Best" is a work that demands the reader become the book, to see the ordinary in a different

way, to take in the beautiful brevity of life. Celebrate incivility, celebrate the short life: The lived life. Alexis's long-awaited second novel follows his award-winning Childhood. Set in Ottawa during the Mulroney years, Asylum is André Alexis's sweeping, edged-in-satire, yet deeply serious tale of intertwined lives and fortunes, of politics and vain ambition, of the building of a magnificent prison, of human fallibility, of the search for refuge, of the impossibility of love, and of finding home. Whether he is taking us into the machinations of a government office or into the mysterious workings of the human heart, Alexis is always alert to the humour and the profound truth of any situation. His cast of characters is eccentric and unforgettable, all recognizable in one way or another as aspects of ourselves or people we know well. At the centre of the story, which covers almost a decade, is a visionary project to build an ideal prison, a perfect metaphor for the purest aspects of artistic ambition and for all that is great and flawed in the world. André Alexis is a true original, one of the most talented and astute writers writing in Canada today. This dazzling novel is filled with tragedy, dry wit, intellectual grist. It is playful, linguistically accomplished, and psychologically profound. Its yearnings constitute the highest level of human concerns and pursuits. Alexis has written The Great Canadian Novel, with a twist. Whether you have wandered away and lost faith or never embraced real faith in Jesus Christ, this book will bring you new hope. Perhaps, on the other hand, you are praying for loved ones and friends to return or come to faith, this book will inspire you to believe in the god who answers prayer and that "there is always a way back." The casualties of life are everywhere, and deceptions are numerous. Many look back on wrong decisions, hurts, and broken relationships, and the scars and guilt from such things are etched into their hearts, leaving them with regrets that may have haunted them for years. The pull of a world system constantly seeks to take people as far away from God as possible and then leaves them wondering if there is any way back to real faith, peace, and hope. This book will bring you face-to-face with the truth that no matter what has transpired in your life, "there is always a way back." My challenge to you is to be prepared to take the journey this book sets before you and to seriously consider the truth Jesus taught as he told a simple story one day in order to illustrate the heart of his loving heavenly Father who is

full of grace and truth and is always waiting to welcome home those who have wandered away. Whatever has transpired in your journey of life, no one is too far away that the grace and forgiveness of God cannot reach and restore. It's time to come home. Your heavenly Father is waiting, and everything is prepared because "there is always a way back." At the back of this book is the added bonus of questions for discussion on each of the nineteen chapters, which can be used in small groups. May you be blessed and encouraged as you read *There Is Always a Way Back*.

We were blessed to grow up in Roman Catholic families, and were married in the Church in 1960. Barb gave birth to six children during the next ten years. During this time, we made eight physical household moves, four of the relocations were made with newborn babies in tow! In 1974, we made the difficult decision to leave the Catholic Church, and have been actively involved in Bible Churches ever since. Who would believe our schedule? We participated in every type of volunteer service available, including: basketball and soccer coach, Girl Scout leader, Sunday school teachers, and always time for family dinners. Barb was a stay-at-home mom, and eventually achieved an Interior Design degree. I worked for one employer for almost 50 years, which included five different companies, and positions from Apprentice to Director. Now comes our together time. In 1985, Barb started to accompany me on business travel trips. We have traveled extensively: Europe, Canada, Alaska, Mexico, Caribbean, China, Russia and South Africa. Along the way, we have owned 36 automobiles, one truck and one motorcycle. Please come along for the ride of our lifetimes; we hope that you will enjoy it half as much as we have!
