Reproduction of the original: A History of Matrimonial Institutions by George Elliott Howard From the New York Times bestselling author of The Bachelor comes the second installment in the sparkling trilogy featuring the exuberant Duncan sisters, who operate a discreet matchmaking service in Edwardian London. Original. Sky-high stakes...in business and the bedroom! Executive assistant Cassie has orders to spy on tech tycoon Luke. While he's ultra-arrogant, he's also aggravatingly irresistible. Duping unwary nobleman out of their fortunes in the gaming halls--a dangerous game she plays in order to raise money to avenge her father's death--Judith Davenport finds herself under the scrutiny of the honorable Marquis of Carrington. In this captivating romance about the inimitable Duncan sisters and their clandestine matchmaking service, a handsome new client throws youngest sister Chastity

into an unexpected quandary. Chastity listens to Dr. Douglas Farrell's distressingly unromantic requirements for a wife: wealth and social status. Her instinct is to refuse service to the tall, muscular, dark-eyed physician, but she can't turn away a paying client. Yet the doctor conceals a secret. He's prepared to sacrifice his bachelorhood for his true passion: caring for the poorest of London's poor. Of course, his dream requires capital. For that, he is convinced he needs a well-to-do, well-connected wife. Little does Chastity know that if she ever learned the selfless truth, the handsome doctor just might steal her heart. And if Douglas ever lifted the veil that covers this mysterious woman, he might discover his perfect match. Dear Reader, What comes to mind when you think of a diamond slipper? Cinderella, perhaps? That's what Cordelia Brandenburg imagines when her godparents arrange a marriage for her with a man she's never met--a marriage that will take her to Versailles, far from the rigid confines of her childhood home. The betrothal gift is a charm bracelet with a tiny, glittering diamond slipper attached...as befits a journey into a fairy-tale future. But Cordelia--young, headstrong, and completely adorable--runs into trouble right away. Her escort to the wedding is the golden-eyed, sensual, teasing Viscount

Leo Kierston. For Cordelia, it's love at first sight. Yet Leo seems to see only a spoiled child--perhaps it's the way she cheats at chess--and Cordelia is determined to show him the woman beneath. There is, however, no escaping her arranged marriage. She's devastated to discover that her new husband is an utterly loathsome tyrant who will stop at nothing to satisfy his twisted desires. My heart went out to Cordelia as she struggles courageously against a man determined to break her spirit. But her husband has a secret, one that will bring down the vengeance of Viscount Kierston and all who have reason to hate him. I hope you'll enjoy this love story of two of my very favorite characters. Warmest wishes, Jane Feather P.S. The charm bracelet makes its next appearance in *The Silver Rose*. Look for it next summer. Dear Reader, In celebration of true love, here's a Valentine's Day treat--the tale of two star-crossed lovers who can't see that they're perfect for each other.... Lady Emma Beaumont and Lord Alasdair Chase were once inseparable childhood friends, then betrothed lovers. But something went dreadfully awry, and Emma left Alasdair practically at the altar. Now, two years later, Emma has inherited a substantial fortune...but there's one small string attached: until the day she weds, Emma cannot

spend a farthing without Alasdair's consent. The thought of having to go to Alasdair, with his mocking smile and derisive eyes, every time she needs money is not to be borne. Emma swears to Alasdair that she'll have both a husband--and a lover--by St. Valentine's Day. Alasdair vows she won't--unless he himself becomes both her lover and her husband. In fact, he's looking forward to employing every form of sensual persuasion he dares to convince his passionate, headstrong Emma that she'd rather have him than any other man. Will he succeed?...or will Emma get her way?

Warmest wishes, Jane Feather P.S. In summer '99, look for *The Accidental Bride*, the next volume in my *Brides* trilogy, which began with *The Hostage Bride*. Three unconventional young women vow never to marry, only to be overtaken by destiny.... In *The Accidental Bride*, Phoebe, the "awkward" one, stumbles into romance, adventure, and passion.... Dear Reader, My new story begins on a terror-filled night when two babies--identical twin girls of noble birth--are separated. One grows to womanhood as the frail, manipulative ward of the handsome young earl of Harcourt. The other becomes an enchanting, street-smart urchin who earns her way as a traveling player on the streets of England and France. The two girls' paths might never again have crossed if

Harcourt hadn't run into Miranda in the midst of an exuberant performance. The resemblance to his ward is unmistakable--uncanny, in fact...and an ambitious plot begins to take shape in Harcourt's mind. His ward, Maude, will commit herself to a convent rather than marry the love-struck king of France, who will soon be traveling to London to claim her. What if Miranda were to take Maude's place?

Harcourt is confident that with the right training, the right clothes, and the right attitude, the lithe, carefree Miranda will captivate society--and the king. So begins Harcourt's breathtaking scheme to turn an ugly duckling into a gorgeous swan. But if he succeeds too well, Miranda may become something irresistible--even to Harcourt....

It's a delicious dilemma and a dangerous deception...and the twists and turns surprised even me. Warmest wishes, Jane Feather Dear Reader, Like the rose in the haunting tale of "Beauty and the Beast," a silver rose on a charm bracelet brings together a beautiful young woman and a battle-scarred lord.... In my story, Ariel Ravenspeare has been taught to loathe the earl of Hawkesmoor and everything he represents. Their two families have been sworn enemies for generations. But it's one thing to hate him, and another to play the part her vicious brothers have written for

her--trapping Hawkesmoor into a marriage that will destroy him, using herself as bait. Forced into the marriage, Ariel will find her new husband unexpectedly difficult to manipulate, as well as surprisingly--and powerfully--attractive. But beneath the passion lurk the strands of a long-hidden secret...a secret embodied in a sparkling silver rose. I hope you will be as caught up in Ariel and Hawkesmoor's love story as I was. Warmest wishes, Jane Feather Presents a comprehensive guide for librarians and readers' advisors, provides a brief history of the romance novel, and offers reading lists and subgenre definitions. In this exhilarating new trilogy from New York Times bestselling author Jane Feather, a trio of spirited sisters secretly run a thriving matchmaking service. But these three good catches of impeccable pedigree have little interest in matrimony themselves—until, one by one, they meet their matches. Constance Duncan may be the eldest of three sisters, but she has more important things on her mind than finding a husband—for herself, at any rate. Through the Personals services of her popular newspaper, The Mayfair Lady, Constance connects lonely hearts. But her own heart lies in her work, and nothing will distract her from it—until she finds herself irresistibly drawn to a man of disastrously different views. Max Ensor is a politician whose outmoded attitudes outrage her—even as his powerful presence intrigues her. Clearly there is only one thing to do with such an exasperating man: convert him! Little does Constance know that Max has the same plan in

mind for her. . . . What follows is a fiercely passionate duel in which two headstrong people discover that, differences or not, sometimes one gender cannot—will not—do without the other. Reunited at New Year Her life is in the hands of a man she dares not love . . . Lady Isabel Louvet is a woman of noble birth, wit, courage, and beauty. But though these qualities make her an excellent bride, they cannot save her when, on the night she was meant to choose a groom, wild Scottish brigands storm the walls of her father's castle. As what should be a celebration turns to terror and bloodshed, Isabel is carried away from her family to be offered to a Scottish chieftain as a slave . . . or worse. But unbeknownst to Isabel, she has a champion, a feared warrior and knight of legend named Anvrai d'Arques. His visage bears the scars of battle, but his heart remains pure in its devotion to country and king—that is, until he sets out to rescue Isabel. Her fierce spirit of survival stirs his passion more than combat ever could, and with her touch his world forever shifts. Now, with the Scottish on their heels and a country on the brink of war, they must go forth in battle together—to save themselves, to protect their countrymen, and to find a love that can set them both forever free. Every five years the girls of Elk

Mountain wake up in the woods, where the simple farm boys they grew up with become predators and hunt them for brides. Dan Lightman returns to the mountain to help the Marlow sisters. Lizzie is twenty, deaf since childhood and worried that she could end up married to a man who won't learn to communicate with her, that she won't have a voice in her own home. Beck is seventeen, exchanging secret letters with a girl from the other side of the mountain, and she'll kill or die before she'll marry anyone else. Nellie is only fourteen, and all she wants is a few more years, to grow up on her own terms. All three girls live in the shadow of their beautiful eldest sister, Julia. Five years ago -at the last Bride Hunt- she refused the man who caught her, and she was killed for it. The barbaric ritual is a sacred rite of passage to a fringe sect of Catholicism in post-apocalyptic, small-town Appalachia. Dan is one of the hunt's only critics. He was once too afraid to fight for the girl he loved, but now he's back with a hired cutthroat and a plan to save the remaining Marlow sisters from their gruesome fate... Sky-high stakes...in business and in the bedroom! Executive assistant Cassie has orders to spy on tech tycoon Luke. While he's ultra-arrogant, he's also aggravatingly irresistible... Before Cassie knows it they're

jetting off to his private island--and her first ever night of passion! Is the woman he wants finding his bride? In Jane Feather's dazzling, irresistible romance, London's most charming matchmakers are faced with a ruinous lawsuit--and now Prudence, the brainy, beautiful middle sister, must save them. Soon after the Duncan sisters' personals service turns a profit, their controversial newspaper *The Mayfair Lady* offends a powerful earl--who is now determined to demolish them in court. In dire need of counsel, the women turn to England's most sought after young barrister. Sir Gideon Malvern is notorious for his aggressive style--and his love of a challenge. Spirited Prudence, with her beauty unsuccessfully hidden behind spectacles and frumpy clothes, provides him with exactly that. But how in the world will the Duncan sisters be able to afford Gideon's fee? Prudence proposes a barter: Gideon defends their case; they find him a bride. It's an exchange of services even this most cynical single barrister cannot refuse. From the incomparable author of the national bestsellers *Violet* and *Valentine* comes a new triumph of romance. Brimming with passionate emotion and compelling adventure, here is Jane Feather at her most unforgettable. As the stranger's arms closed around her, Octavia

Morgan knew she'd just made the biggest mistake of her life. Picking pockets had seemed the only answer to her desperate plight. But now she'd been caught, and there was worse to come. For the dangerously attractive man she'd robbed was no common mark, but the most notorious highwayman in England. Portia, who possesses more than a streak of independence as well as a talent for resistance, does not take kindly to being abducted--mistakenly or otherwise.
