Preparation Materials Based on the Real Exams Feb  
14 2020 The 2020 2nd edition of IELTS Speaking.  
Academic and General Practice Tests Questions  
Sets 51-100 has been created to help students  
like you continue to practise for the real exam.  
This book contains over 1000 questions. It is up  
to you to come up with as many different ways to  
answer them as you can, to help you practise for  
the real exam. You can give this book to your ESL  
tutor who can give you some guidance on the many  
different ways that a native English speaker can  
answer the questions, or you can ask your friends  
to choose random questions from the book to help  
you become more familiar with the style of the  
test, and to answer faster. Through practising  
these, and other questions in the series, you

will be able to become more familiar with the types of questions asked in the exam and be better able to respond confidently. If you're not doing an IELTS practice test daily, for at least a few months before the exam, you will find it harder to get the band score that you want. Even native English speakers who don't study for the IELTS test can fail to get the band score they need. These IELTS practice tests have come from many discussions with IELTS examiners, IELTS teachers, and especially IELTS students who have described the kinds of questions that can appear in the real exam. You will find that the Just IELTS Questions series will be a great addition to your IELTS toolkit and can help you reach your goal faster.
