[Our House](#) Nov 26 2020 WINNER OF CRIME & THRILLER BOOK OF THE YEAR AT THE BRITISH BOOK AWARDS 'The last line will make you literally shout with shock' Good Housekeeping 'Terrifically twisty ... hooks from the first page' Sunday Times On a bright morning in the London suburbs, a family moves into the house they've just bought on Trinity Avenue. Nothing strange about that. Except it's your house. And you didn't sell it. FOR BETTER, FOR WORSE. When Fi Lawson arrives home to find strangers moving into her house, she is plunged into terror and confusion. She and her husband Bram have owned their home on Trinity Avenue for years and have no intention of selling. How can this other family possibly think the house is theirs? And why has Bram disappeared when she needs him most? FOR RICHER, FOR POORER. Bram has made a catastrophic mistake and now he is paying. Unable to see his wife, his children or his home, he has nothing left but to settle scores. As the nightmare takes grip, both Bram and Fi try to make sense of the events that led to a devastating crime. What has he hidden from her - and what has she hidden from him? And will either survive the chilling truth - that there are far worse things you can lose than your house? TILL DEATH US DO PART. Praise for Our House: 'If 2018 brings a better book than Our House I will eat my hat. Addictive, twisty and oh so terrifyingly possible' Clare Mackintosh 'I raced through it this weekend. Such a smart idea. Twisty, warped, credible. Brilliantly plotted and compelling. Deserves to be such a hit' Sarah Vaughan 'Louise Candlish is a great writer; she inhaled me into her nightmarish world where everything we think we know is ripped from under our feet' Fiona Barton 'A masterfully plotted, compulsive page-turner' Guardian 'Keeps you guessing to the end - and beyond' Stylist 'Whip-smart, knowing and brilliantly plotted' India Knight 'A corker' Evening Standard 'Terrific premise' New York Times 'Wonderfully plotted' Jane Garvey, Woman's Hour 'A blood pressure-raising thriller' Red 'Gripping and heartbreaking with an undercurrent of unease running through it' Louise Jensen 'What a book! Fast, edge-of-your-seat stuff. Each time I set the book down I had to remind myself to breathe' broadbeanbooks 'Oh Louise Candlish, you are a genius! Our House is just brilliant. Scarily believable with the BEST ending I have read in a long time. I devoured it!' Claire Frost, Fabulous magazine [Arts & Crafts Homes and the Revival](#) Nov 19 2022 Devoted to the Arts and Crafts Movement past and

present, this new magazine celebrates the revival of quality and craftsmanship. Each issue is a portfolio of the best work in new construction, restoration, and interpretive design, presented through intelligent writing and beautiful photographs. Offering hundreds of contemporary resources, it showcases the work not only of past masters, but also of those whose livelihoods are made in creating well-crafted homes and furnishings today. The emphasis is on today's revival in architecture, furniture, and artisanry, informed by international Arts & Crafts and the early-20th-century movement in America: William Morris through the Bungalow era. Includes historic houses, essays and news, design details, how-to articles, gardens and landscape, kitchens and baths. Lots of expert advice and perspective for those building, renovating, or furnishing a home in the Arts & Crafts spirit. From the publisher of Old-House Interiors magazine and the Design Center Sourcebook. [artsandcraftshomes.com](#)

[The Home Stretch](#) Jan 17 2020 Forty years of feminism and still women do the majority of the housework. Why? In fact, while women are making slow but steady gains on gender disparities in the workplace, at home the gap is widening - in the UK, the average heterosexual British woman puts in 12 more days of household labour per year than her male companion, while young American men are now twice as likely as their fathers to think a woman's place is in the home. And when 'having it all' so often means hiring a nanny or cleaner, is it something to aspire to? Sally Howard joins up with a cohort of feminist separatists, undertakes a day's shift with her Lithuanian cleaner, lives in a futuristic model home designed to anticipate our needs and meets latte papas and one-percent parents in this lively examination which combines history and fieldwork with her personal story. The Home Stretch is a fascinating investigation into how we got here and what the future could look like for feminism's final frontier: the domestic labour gap.

**Log Home Living** Mar 19 2020 Log Home Living is the oldest, largest and most widely distributed and read publication reaching log home enthusiasts. For 21 years Log Home Living has presented the log home lifestyle through striking editorial, photographic features and informative resources. [Here My Home Once Stood](#) Oct 06 2021 As a fourteen-year-old Jewish boy who had rarely ventured outside his small, remote village, Moyshe Rekhtman may seem an unlikely escape artist. But his iron will and quick wit allowed him to survive when all seemed lost. Staging escapes from death camps and avoiding Nazi pursuit through the frozen Ukrainian countryside-all while facing the loss of his family, famine, constant threat of capture, torture, and execution - would be a monumental task for the strongest of men. Despite his mild manners, emaciated body, and poor vision, he evaded the death squads in Nazi-occupied Ukraine for four years. Moyshe's Holocaust memoir is a remarkable example of human fortitude during a time when many welcomed an end to their suffering.

**How To Harness Solar Power for Your Home (and Who's Already Doing It)** Jan 09 2022 Imagine living in a world with clean air and very little pollution. Imagine never having to hear your parents complain about paying the electric bill. Does that sound too good to be true? It's all possible with solar energy. Learn how actor Ed Begley Jr. lives in his solar home. Read how solar power works and why scientists think solar energy will be the next great energy resource. You can learn how to save energy in your own home. You can even find out how to make your own solar oven and cook yourself a solar hot dog feast.

**Home Enlightenment** Aug 16 2022 A guide to creating an environmentally balanced home shares practical steps on how to promote family health while making informed consumer choices, covering such topics as non-toxic pest controls, purchasing a water-filtration system, and adjusting home energy using crystals and aromatherapy.

Reinventing Mom Mar 31 2021 You're on demand 24/7, juggling children, home management, work, relationships, and never-ending to-do lists. You perform superhuman feats of multitasking to get it all done, but the harder you strive for life balance and happiness, the more tired, frustrated, and underappreciated you feel. Like many moms today, you are simply running on empty. In this guide, Kelly Pryde, Ph.D., combines real-life experiences with extensive research to help you step out of the hurried foggiest of everyday juggling into a deeper, more joyful experience of motherhood. Her seven pathways of reinvention will help you learn how to: turn around self-limiting beliefs and practices reclaim your feminine wisdom and restore your energy and mood rethink balance and priorities find joy, meaning, and peace of mind amidst the chaos slow down and reconnect with what matters most to you and your family Filled with practical advice, inspiring stories, and a wealth of resources, Reinventing Mom will support, nurture, and guide you toward becoming the Mom and woman you are meant to be.

**Oregon Dunes National Seashore** Oct 26 2020 Considers S. 2010 and similar S. 2460, to preserve portions of undeveloped shoreline areas, and S. 1526, to establish the Oregon Dunes National Seashore. Oct. 5 hearing was held in Reedsport, Oreg.; Oct. 7-8 hearings were held in Eugene, Oreg.

Arthur's Lady's Home Magazine Oct 18 2022

A Place to Call Home Dec 28 2020 The acclaimed interior designer combines rich tradition with modern sensibilities in this beautifully photographed book of homes across the deep South. James Farmer's design firm works with clients across the South who want to turn their houses into homes. Now Farmer takes readers on a guided tour of eleven home projects—from makeovers to remodels and new construction—as he brings together a cultivated mix of high and low, storied and new, collected and found; presenting them all as a thoughtfully exhibited array of taste, style, good architecture, and interior comfort. Woven alongside beautiful photography of interiors and exteriors are personal stories James shares about living in the South, the people in his life, and how he fell in love with home design. A Place to Call Home is a beautiful book to inspire Southern style at home—infusing the new with antique, vintage, and heirloom pieces.
