The Jodi Picoult Collection #4 Nov 21 2022 Change of Heart One moment June Nealon was happily looking forward to years full of laughter and adventure with her family, and the next, she was staring into a future that was as empty as her heart. Now her life is a waiting game. Waiting for time to heal her wounds, waiting for justice. In short, waiting for a miracle to happen. For Shay Bourne, life holds no more surprises. The world has given him nothing, and he has nothing to offer the world. In a heartbeat, though, something happens that changes everything for him. Now, he has one last chance for salvation, and it lies with June's eleven-year-old daughter, Claire. But between Shay and Claire stretches an ocean of bitter regrets, past crimes, and the rage of a mother who has lost her child. Handle with Care Emotionally riveting and profoundly moving, Handle with Care brings us into the heart of a family bound by an incredible burden, a desperate will to keep their ties from breaking, and, ultimately, a powerful capacity for love. Written with the grace and wisdom she's become famous for, beloved #1 New York Times bestselling author Jodi Picoult offers us an unforgettable novel about the fragility of life and the lengths we will go to protect it. House Rules Jacob Hunt is a teen with Asperger's syndrome. He's hopeless at reading social cues or expressing himself well to others, though he is brilliant in many ways. But he has a special focus on one subject—forensic analysis. A police scanner in his room clues him in to crime scenes, and he's always showing up and telling the cops what to do. And he's usually right. So Jacob's small hometown is rocked by a terrible murder, law enforcement comes to him. Jacob's behaviors are hallmark Asperger's, but they look a lot like guilt to the local police. Suddenly the Hunt family, who only want to fit in, are directly in the spotlight.

Potential Wadge Classes Jul 05 2021 Let Γ be a Borel class, or a Wadge class of Borel sets, and \aleph_α be a cardinal. A Borel subset B of \mathbb{R}^d is potentially in Γ if there is a finer Polish topology on \mathbb{R}^d such that B is in Γ when \mathbb{R}^d is equipped with the new product topology. The author provides a way to recognize the sets potentially in Γ and applies this to the classes of graphs (oriented or not), quasi-orders and partial orders.

Early Hominin Landscapes in Northern Pakistan Dec 18 2019 This volume reports on ongoing fieldwork by the British Mission, plus the results of a previous season 1986-90, which focused on the Jhelum Basin in the Pabbi Hills in northern Pakistan. The aim was 'to find evidence for early hominid occupation and to place this in its environmental and chronological context'. Much of the volume presents, mostly in tables, the geological and environmental data and fossilised occurrences from a series of surveys. This is followed by a discussion of the stone artefacts and a synthesis of results which makes comparison with material from elsewhere in Asia and East Africa.
