Recounts the life, imprisonment, and leadership role of Nelson Mandela The leader of South Africa's anti-apartheid movement chronicles his life, including his tribal years, his time spent in prison, and his return to lead his people. Nelson Mandela completed and published this autobiography at the age of 73 when he became President of South Africa. He selected to narrate his own story which is defined as the 'stand point' in the autobiographical discourse. This 'stand point' which Nelson Mandela chose was very crucial and vital because he wanted to personify his journey from 'rags to riches', from 'literally nothing to becoming everything'. He wanted to write his autobiography when he fulfilled the aim of his life. He could see the life backward from the highest point of his life. As an autobiographer, Nelson Mandela became iconic figure in public life. He felt to share his life story because there was tremendous curiosity amongst all the readers around the world about his experiences and sacrifices. The very act of writing a life down constitutes an attempt on the part of the writer to justify one's life. The every act of autobiography is the judgment of the writer to feel that "life is worth being written down." (Onley 1972: 57). According to Marcus, the critic on this genre adds, "autobiography thus should rather belong to the people of 'lofty' reputation or people who have something of historical importance to say" (Marcus 1984: 31-32). Nelson Mandela in his acknowledgement clearly says that "I began writing it (autobiography) clandestinely in 1974 during my imprisonment on Robben Island." Apparently Mahatma Gandhi finished his autobiography in his imprisonment time. Solitude seems a necessary requirement for political personalities to write as writing needs time and concentration. 'Want of time' is the main constraint in the life of political figures. Another similar example is the case of Martin Luther King Jr. He attempted to write his autobiography 'Stride towards freedom' but could not complete it in his short span of life simply because of "want of time". Martin Luther King Jr's wife completed the dream of her husband by compiling his autobiography. Nelson Mandela admits "since my release, my schedule has been crowded with numerous duties and responsibilities which have left me little free time for writing." On 19 November 1939 he was arrested by the Russians and after brutal interrogation he was sentenced to twenty-five years in a gulag. After a three-month journey in the dead of winter to Siberia, life in a Soviet labour camp meant enduring hunger, extreme cold, untreated wounds and illnesses and facing the daily risk of arbitrary execution. Realising that to remain meant almost certain death, Rawicz, along with six companions, escaped. In June 1941, they crossed the trans-Siberian railway and headed south, climbing into Tibet and freedom in British India nine months later, in March 1942, having travelled over four thousand miles on foot through some of the harshest regions in the world, including the Gobi Desert, Tibet and the Himalayas. First published in 1956, this is one of the greatest true stories of escape, adventure and survival against all odds. It starred Colin Farrell, Jim Sturgess and Ed Harris. De lange weg naar de vrijheid is de beroemde autobiografie van een van de grootste mannen van de twintigste eeuw. Idris Elba stars as Mandela, who grows up in a nation divided by racial segregation laws but doesn't become politicised until his university years. While training as a lawyer, Mandela becomes increasingly aware of the injustice suffered by black South Africans in a country run almost exclusively by whites. His relationships with like-minded spirits such as his wife Winnie (Naomie Harris) fuel his radicalism and lead him into a conflict with the authorities that sees him imprisoned on Robben Island with other anti-apartheid activists for over a decade. With unrest growing throughout the nation, Mandela becomes an increasingly influential figure despite his imprisonment, leading him to hope that he may yet lead his people on the walk to freedom. The film was nominated for an Academy Award in the category Best Original Song and won the corresponding award.
