Your first-class ticket to building key Spanish language skills From the bestselling Read & Think series, this fully-illustrated third edition of Read & Think Spanish brings the Spanish language to life! In addition to introducing, developing, and growing key vocabulary, this book gives you an insider's look at the enchanting diversity of Hispanic life and culture—from the art of eating tapas in Spain to a walk along Cuba's white sand beaches, and from biographies on luminaries such as Andrés Segovia, the father of the classical guitar, to lessons on Argentinian soccer. Including more than 100 engaging articles written by native Spanish-speakers, each one provides a bilingual glossary on the same page, allowing you to learn without stopping to look up new or unfamiliar words. Each chapter contains several exercises to reinforce comprehension and the new premium edition features streaming audio recordings of more than 40 readings (90 minutes) and over 7,000 vocabulary items by flashcard, easily accessible online or on any mobile device, through the unique McGraw-Hill Language Lab app. The Encyclopedia of Caribbean Religions is the definitive reference for Caribbean religious phenomena from a Caribbean perspective. Generously illustrated, this landmark project combines the breadth of a comparative approach to religion with the depth of understanding of Caribbean spirituality as an ever-changing and varied historical phenomenon. Organized alphabetically, entries examine how Caribbean religious experiences have been shaped by and have responded to the processes of colonialism and the challenges of the postcolonial world. Systematically organized by theme and area, the encyclopedia considers religious traditions such as Vodou, Rastafari, Sunni Islam, Sanatan Dharma, Judaism, and the Roman Catholic and Seventh-day Adventist churches. Detailed subentries present topics such as religious rituals, beliefs, practices, specific historical developments, geographical

differences, and gender roles within major traditions. Also included are entries that address the religious dimensions of geographical territories that make up the Caribbean. Representing the culmination of more than a decade of work by the associates of the Caribbean Religions Project, The Encyclopedia of Caribbean Religions will foster a greater understanding of the role of religion in Caribbean life and society, in the Caribbean diaspora, and in wider national and transnational spaces. Throughout Massachusetts, artists carry on and revitalize deeply rooted traditions that take many expressive forms—from Native American basketry to Yankee wooden boats, Armenian lace, Chinese seals, Puerto Rican santos, and Irish music and dance. These keepers of tradition are recognized in their communities as outstanding practitioners of craft, music, dance, and sacred arts. Yet much of this work is hidden to the public at large, remaining essentially unknown beyond the local community in which it flourishes. This beautifully illustrated volume celebrates and shares the work of a wide array of these living artists. Passed down from person to person within both long-settled and new immigrant communities, traditional art involves the shaping of deeply held cultural values into meaningful artistic forms. Keepers of Tradition presents material drawn from eight years of intensive field research by folklorists at the Massachusetts Cultural Council—an investigation that has taken researchers into the homes, kitchens, workshops, dance halls, places of worship, parade routes, and festival sites where traditional art is produced, used, valued, and displayed. Featuring more than sixty artists from communities across the state, Keepers of Tradition showcases high levels of mastery in diverse media—the uniformity and handiness of a Nantucket Lightship basket, the Native quill work on a tobacco pouch, the vibrant colors and textures of a Caribbean Carnival costume, the exquisite gestures of Cambodian dance. At the same time, the text describes the deeply personal and cultural context for each piece of work. This volume is published in conjunction with an exhibition of the same name, organized by the Massachusetts Cultural Council and the National Heritage Museum in Lexington, Massachusetts, and on view there from May 2008 through February 2009. Learn Spanish as you explore the colorful and diverse world of Latino culture Build a rich Spanish vocabulary without the burden of boring repetition or tedious memorization with Read & Think Spanish. In this audio package, you will find more than 100 intriguing articles written in Spanish about the enchanting diversity of Latino culture—from Spain's Andres Segovia to Peru's ancient fishing techniques to El Dia de los Muertos in Mexico and the United States. Within each article new vocabulary is presented in boldface, with their translations in the margins. This allows you to learn the meaning of any unfamiliar words immediately. In the 100-minute audio download, native speakers read aloud many of the articles contained in the book, so you will not only see how the language is written but also hear how it sounds in conversation. This second edition is enhanced with thirty-two pages of all-new readings, thirteen all-new audio tracks, and fresh chapter-ending questions. With Read & Think Spanish you will: Grasp Spanish vocabulary quickly and easily with the help of English translations Review and reinforce your newly acquired knowledge with end-of-chapter questions—now in Spanish Learn about the vibrant Latino culture and its famous places, noted people, intoxicating music, mouthwatering food, and more Take the ho-hum out of learning Spanish and discover an innovative language tool that will keep you entertained along your way to Spanish proficiency! The classic introduction to the Caribbean's popular music brought up to date. This book addresses the complex issue of incarceration of Latino/as and offers a comprehensive overview of such topics as deportations in historical context, a case study of latino/a resistance to prisons in the 70s, the issues of youth and and girls prisons, and the post incarceration experience. Latinos comprise the fastest growing ethnic group in the United States, and this interdisciplinary anthology gathers the scholarship of both early career and senior Latina/o scholars whose work explores the varied and unique latinidades, or Latino cultural identities, of this group. "This annotated bibliography of titles for children and young adults published from 1985 through the end of 1993—with 60% published since 1990—provides a one-stop selection tool." --Website. Throughout the world, there is no holiday celebrated quite like Carnival. This book examines the history and pagan roots of the holiday, and

details different customs unique to particular areas, including Europe, Latin America and the Caribbean, and North America. This revised edition of an award-winning resource celebrates the lives and works of 35 Latina and Latino authors who write for today's young readers. Expanded to include 12 additional authors, updated information on the original 23 authors profiled, and 135 new titles, this comprehensive reference tool helps teachers, librarians, and parents stay current on one of the most dynamic areas of contemporary literature. Both established and emerging voices are profiled. Personal quotes and photographs introduce each biographical essay, presenting information gathered through interviews, personal communications, and research. A complete list of all books and works written by the author is included along with publication information. Annotations are provided for most of the titles, along with information on major themes, awards won, and recommended age levels. Evaluating Books for Bias provides helpful guidelines for examining and selecting books from a pluralistic perspective. Appendices offer further helpful information about the field, including special awards honoring books by Latinas and Latinos, a calendar of holidays and special days celebrated by the Latino community, and listings of related resources and organizations. The author has also compiled ideas for classroom activities and ways for librarians to extend the literary experience. A title index and extensive topic index—including themes, curricular areas, and genres—help in planning story sessions and study units. This is a multipurpose resource for anyone who wants to help young readers connect with contemporary literature in a meaningful way.

Encyclopedia volume A-D of a broad and comprehensive collection of descriptive information regarding all the genres of Latino folklore in the United States, covering the traditions of Americans who trace their ancestry to Mexico, Spain, or Latin America. Ideal for advanced beginners and intermediate-level students in formal language courses as well as those studying on their own Now with audio CD of native speakers so learners can hear the correct way to pronounce the Spanish words Music of Latin America and the Caribbean, Second Edition is a comprehensive textbook for undergraduate students, which covers all major facets of Latin American music, finding a balance between important themes and illustrative examples. This book is about enjoying the music itself and provides a lively, challenging discussion complemented by stimulating musical examples couched in an appropriate cultural and historical context—the music is a specific response to the era from which it emerges, evolving from common roots to a wide variety of musical traditions. Music of Latin America and the Caribbean aims to develop an understanding of Latin American civilization and its relation to other cultures. NEW to this edition A new chapter overviewing all seven Central American countries An expansion of the chapter on the English- and French-speaking Caribbean An added chapter on transnational genres An end-of-book glossary featuring bolded terms within the text A companion website with over 50 streamed or linked audio tracks keyed to Listening Examples found in the text, in addition to other student and instructors' resources Bibliographic suggestions at the end of each chapter, highlighting resources for further reading, listening, and viewing Organized along thematic, historical, and geographical lines, Music of Latin America and the Caribbean implores students to appreciate the unique and varied contributions of other cultures while realizing the ways non-Western cultures have influenced Western musical heritage. With focused discussions on genres and styles, musical instruments, important rituals, and the composers and performers responsible for its evolution, the author employs a broad view of Latin American music: every country in Latin America and the Caribbean shares a common history, and thus, a similar musical tradition. This volume brings together scholars working in different languages—Creole, French, English, Spanish—and modes of cultural production—literature, art, film, music—to suggest how best to model courses that impart the rich, vibrant, and multivalent aspects of the Caribbean in the classroom. Essays focus on discussing how best to cross languages, histories, and modes of discourse. Instead of relying on available paradigms that depend on Western ways of thinking, the essays recommend methods to develop a pan-Caribbean perspective in relation to notions of the self, uses of language, gender hierarchies, and ideas of nationhood. Contributors represent various disciplines, work in one of the several languages of the Caribbean, and offer essays that reflect different cadres of expertise. Contains a resource book of multicultural materials and includes program ideas, Web sites, and recommended children's books that provide students with information on the traditions, stories, pictures, and music from around the world. This history for the first time charts the literature of the entire Caribbean, the islands as well as continental littoral, as one cultural region. It breaks new ground in

establishing a common grid for reading literatures that have been kept separate by their linguistic frontiers. Readers will have access to the best current scholarship on the evolution of popular and literate cultures in the various regions since their earliest emergence. The History of Literature in the Caribbean brings together the most distinguished team of literary Caribbeanists ever assembled, cutting across ideological commitments and critical methods. Differences in point of view between individual contributors are left intact here as the sign of the colonial inheritance of the region. Introductions and conclusions to the various sections of the History written by the respective subeditors, set them in proper perspective. The unique synoptic aspect of the History lies in its comprehensiveness and its range, which are unequaled. Contributors: A. James Arnold, Julio Rodriguez-Luis, H. Lopez Morales, Maria Elena Rodriguez Castro, Silvio Torres Saillant, Seymour Menton, Ian I. Smart, Efrain Barradas, Raquel Chang-Rodriguez, Carlos Alonso, Ivan A. Schulman, W.L. Siemens, William Luis, Gustavo Pellon, Emilio Bejel, Sandra M. Cypess, Peter Earle, Adriana Mndez Rodenas, J. Michael Dash, Ulrich Fleischmann, Maximilien Laroche, Rgis Antoine, Lon-Francois Hoffmann, Randolph Hezekiah, Bridget Jones, F.I. Case, Marie-Denise Shelton, Beverly Ormerod, J. Michael Dash, Jack Corzani, Anthea Morrison, Juris Silenieks, Frantz Fanon, Vere Knight. A Kid's Guide to Latino History features more than 50 hands-on activities, games, and crafts that explore the diversity of Latino culture and teach children about the people, experiences, and events that have shaped Hispanic American history. Kids can: * Fill Mexican cascarones for Easter * Learn to dance the merengue from the Dominican Republic * Write a short story using &“magical realism&” from Columbia * Build Afro-Cuban Bongos * Create a vejigante mask from Puerto Rico * Make Guatemalan worry dolls * Play Loteria, or Mexican bingo, and learn a little Spanish * And much more Did you know that the first immigrants to live in America were not the English settlers in Jamestown or the Pilgrims in Plymouth, but the Spanish? They built the first permanent American settlement in St. Augustine, Florida, in 1565. The long and colorful history of Latinos in America comes alive through learning about the missions and early settlements in Florida, New Mexico, Arizona, and California; exploring the Santa Fe Trail; discovering how the Mexican-American War resulted in the Southwest becoming part of the United States; and seeing how recent immigrants from Central and South America bring their heritage to cities like New York and Chicago. Latinos have transformed American culture and kids will be inspired by Latino authors, artists, athletes, activists, and others who have made significant contributions to American history. The definitive guide, now fully updated, to the three most popular destinations in Puerto Rico. No matter your budget, tastes, or passions, Puerto Rico has something to please your senses and wish you could come back for more. Author Zain Deane takes you on a tour of San Juan and its main islands and shows you how to uncover its best-kept secrets and treasures—from breathtaking beaches and rain forest hikes to extraordinary shopping and dining spots on narrow colonial streets. Puerto Rico has something to please all your senses, regardless of your budget, tastes, or passions. Distinctive for their accuracy, simplicity, and conversational tone, the diverse travel guides in our Explorer's Great Destinations series meet the conflicting demands of the modern traveler. They're packed full of up-to-date information to help plan the perfect getaway. And they're compact and light enough to come along for the ride. A tool you'll turn to before, during, and after your trip, these guides include chapters on lodging, dining, transportation, history, shopping, recreation, and more; a section packed with practical information, such as lists of banks, hospitals, post offices, laundromats, numbers for police, fire, and rescue, and other relevant information; maps of regions and locales, and more. "Surveys the history, geography, economy, and people of Puerto Rico"--Provided by publisher. Once a year, in the beautiful tropical island of Puerto Rico they celebrate the Fiestas de Santiago El Apostól. The parade has four main characters: the vejigantes, the knights, the crazy women and the elders. The vejigante's are an important part of Puerto Rican tradition. The vejigantes' intention is to frighten people and compel them to go back to church for Lent. They wear long, colorful robes and brightly painted masks to cause mischief. Learn about the alphabet from the mischievous vejigantes from Puerto Rican culture as well as the Spanish language in this vividly illustrated children's book. Your first-class ticket to building better Spanish language skills—and appreciating the diversity of Spanish-speaking culture! From the bestselling Read & Think series, this fully illustrated premium fourth edition of Read & Think Spanish brings the Spanish language to life! In addition to introducing, developing, and growing key vocabulary, this book gives you an insider's look at the exciting diversity of life and culture

in Latin America, Spanish-speaking U.S. and Spain—from traditional Guatemalan recipes and the benefits of the Mediterranean diet to biographies of luminaries like Rita Moreno to lessons on Argentinian soccer. Including more than 100 engaging articles written by native Spanish speakers, each one provides a bilingual glossary on the same page, allowing you to learn without stopping to look up new or unfamiliar words. Each chapter contains several exercises to reinforce comprehension, and this new premium edition features streaming audio recordings of 50 readings (more than 2 hours), supported by the McGraw-Hill Language Lab app. Read & Think Spanish, Premium Fourth Edition features: New articles reflecting the current aspects of life in Latin America, Spanish-speaking U.S., and Spain New and expanded materials in the McGraw-Hill Language Lab app (free online and via mobile) App includes flashcards of more than 7,000 vocabulary terms App includes audio recordings of 50 readings (2+ hours) Most travelers to eastern Puerto Rico come to see and hike El Yunque, the island's second-most-visited tourist destination after Old San Juan, and probably the world's most user-friendly rain forest. Others come for the east coast's three sprawling resort hotels, half a dozen excellent golf courses, the US Navy base, and one of the biggest yachting and sailing charter ports in the Caribbean. But this side of the island has much to offer that eludes most visitors to Puerto Rico, from a glorious, six-mile stretch of deserted beach between Luquillo and Las Cabezas de San Juan, to the red cliffs and lonely lighthouse in the southeast. As with most places, you have to scratch the surface to find the hidden rewards here. Spend a day or two wandering around Lo za Aldea and talking to locals (or attending their fiestas patronales in late July) to get a deeper understanding of Afro-Caribbean culture. One of the old fishermen of Las Croabas may take you cay-hopping in his wooden sloop, setting you down on some deserted islet to swim in opaque waters. Local surfers gather at a few little-known breaks. Or visit one of the two other nature reserves on the east coast OCo Las Cabezas to San Juan and Humacao OCo where exotic waterfowl, mangrove and dry tropical forest ecosystems and a bioluminescent lagoon await. This guide tells you all about the history and culture of Puerto Rico, how to get there and how to get around, the general information you need. Then it zeros in on the eastern coastal area and all its places to stay and eat, the things to see and do, the fiestas, historic sites, museums, markets - everything you need to know. Filled with maps and photos." How does a so-called bad neighborhood go about changing its reputation? Is it simply a matter of improving material conditions or picking the savviest marketing strategy? What kind of role can or should the arts play in that process? Does gentrification always entail a betrayal of a neighborhood's roots? Tackling these questions and offering a fresh take on the dynamics of urban revitalization, *The Philadelphia Barrio* examines one neighborhood's fight to erase the stigma of devastation. Frederick F. Wherry shows how, in the predominantly Latino neighborhood of Centro de Oro, entrepreneurs and community leaders forged connections between local businesses and cultural institutions to rebrand a place once nicknamed the Badlands. Artists and performers negotiated with government organizations and national foundations, Wherry reveals, and took to local galleries, stages, storefronts, and street parades in a concerted, canny effort to reanimate the spirit of their neighborhood. Complicating our notions of neighborhood change by exploring the ways the process is driven by local residents, *The Philadelphia Barrio* presents a nuanced look at how city dwellers can make commercial interests serve the local culture, rather than exploit it. This single-volume work covers many traditions, customs, and activities Westerners may find unusual or shocking, covering everything from the Ashanti people's funeral celebrations to wife-carrying competitions in Finland. • Provides a unique global perspective via content from 48 authors currently working, living, or traveling in most continents of the world • Supplies interdisciplinary points of view by incorporating aspects of religion, food, festivals, history, social practices, funeral traditions, and grand community celebrations • Serves to highlight distinct cultural differences while also enabling readers to discover how much people have in common and to consider how certain American traditions might seem "strange" to people from outside the United States Lonely Planet: The world's leading travel guide publisher Lonely Planet Puerto Rico is your passport to the most relevant, up-to-date advice on what to see and skip, and what hidden discoveries await you. Follow Old San Juan's labyrinthine laneways, laze on the sand at Playa Flamenco, or kayak into the bioluminescent bay at Vieques; all with your trusted travel companion. Get to the heart of Puerto Rico and begin your journey now! Inside Lonely Planet's Puerto Rico Travel Guide: Full-colour maps and images throughout Highlights and itineraries help you tailor your trip to your personal needs and interests Insider tips to save time and money

About Lonely Planet: Lonely Planet is a leading travel media company and the world's number one travel guidebook brand, providing both inspiring and trustworthy information for every kind of traveler since 1973. Over the past four decades, we've printed over 145 million guidebooks and grown a dedicated, passionate global community of travelers. You'll also find our content online, and in mobile apps, video, 14 languages, nine international magazines, armchair and lifestyle books, ebooks, and more. Important Notice: The digital edition of this book may not contain all of the images found in the physical edition. Culture can be defined as the beliefs, practices, and arts of a group of people. The culture of Puerto Rico is as varied and intricate as the many people who live there. Readers will learn that before the arrival of the Spanish, Puerto Rico was called Boriquen by the Taínos. They will also learn that it has the only tropical rain forest in the U.S. Forest System, and that it isn't an island. Puerto Rico's culture is shaped by the landscape, resources, and its rich history. Emphasizing Puerto Rico's contributions to sports, arts, music, and literature, this book offers a comprehensive look at the country and its people. Augmented by colorful photographs, this high-interest take on curricular social studies subjects is sure to hold readers' attention. This volume traces the history of Latin American theater, including the Nuyorican and Chicano theaters of the United States, and surveys its history from the pre-Columbian period to the present. My book draws on studies shows how the neo-baroque can be understood as a strategy that allows artists in Latin America and the Caribbean to rearticulate the imperial, colonialist gaze of globalization. This compelling autobiography traces the trajectory of the groundbreaking Puerto Rican leader Antonia Pantoja, from a struggling school teacher in Puerto Rico to her work as principal engineer of the most enduring Puerto Rican organizations in New York City. This encyclopedia is the first comprehensive survey of Hispanic American religiosity, contextualizing the roles of Latino and Latina Americans within U.S. religious culture. Spanning two volumes, *Hispanic American Religious Cultures* encompasses the full diversity of faiths and spiritual beliefs practiced among Hispanic Americans. It is the first comprehensive work to provide historic contexts for the many religious identities expressed among Hispanic Americans. The entries of this encyclopedia cover a range of spiritual affiliations, including Christian religious expressions, world faiths, and indigenous practices. Coverage includes historical development, current practices, and key individuals, while additional essays look at issues across various traditions. By examining the distinctive Hispanic interpretations of religious traditions, *Hispanic American Religious Cultures* explores the history of Latino and Latina Americans and the impact of living in the United States on their culture. More than 100 entries on specific religious and spiritual traditions among Hispanic Americans, detailing the historic development of their distinctive Latino/a character Dozens of contributing scholars, each an expert in Hispanic religious traditions An essential guide to the new face of electoral politics in America, this book provides an examination of the political mobilization of Latinos and Latinas through the churches and the influence of being of the Catholic faith, enabling an understanding of the social and cultural dynamics at play. With a riotous mix of saints and devils, street theater and dancing, and music and fireworks, Christian festivals are some of the most lively and colorful spectacles that occur in Spain and its former European and American possessions. That these folk celebrations, with roots reaching back to medieval times, remain vibrant in the high-tech culture of the twenty-first century strongly suggests that they also provide an indispensable vehicle for expressing hopes, fears, and desires that people can articulate in no other way. In this book, Max Harris explores and

develops principles for understanding the folk theology underlying patronal saints' day festivals, feasts of Corpus Christi, and Carnivals through a series of vivid, first-hand accounts of these festivities throughout Spain and in Puerto Rico, Mexico, Peru, Trinidad, Bolivia, and Belgium. Paying close attention to the signs encoded in folk performances, he finds in these festivals a folk theology of social justice that—however obscured by official rhetoric, by distracting theories of archaic origin, or by the performers' own need to mask their resistance to authority—is often in articulate and complex dialogue with the power structures that surround it. This discovery sheds important new light on the meanings of religious festivals celebrated from Belgium to Peru and on the sophisticated theatrical performances they embody. Discover a land of lush jungles and dazzling white sand with The Rough Guide to Puerto Rico. The full-colour introduction will inspire you with stunning photography of the "things not to miss" from the cosmopolitan city of San Juan to the exotic flora and fauna of the Caribbean National Forest. Dozens of user-friendly maps will guide you to our recommended accommodation and there are hundreds of restaurant reviews for gourmet eateries and local food stalls across the island. Covering all must-sees such as the Río Camuy caves and the romantic colonial town of Ponce, the guide also features full-colour inserts on Festivals dedicated to fruits and flowers, and Food, including independent gourmet coffee producers and regional specialties. The guide features in-depth sections on Mayagüez, La Cordillera, Vieques and Culebra, as well as all the practical information you'd expect from a Rough Guide. Make the most of your time with The Rough Guide to Puerto Rico. In *Imaging The Great Puerto Rican Family: Framing Nation, Race and Gender during the American Century*, Hilda Lloréns offers a ground-breaking study of images—photographs, postcards, paintings, posters, and films—about Puerto Rico and Puerto Ricans made by American and Puerto Rican image-makers between 1890 and 1990. Through illuminating discussions of artists, images, and social events, the book offers a critical analysis of the power-laden cultural and historic junctures imbricated in the creation of re-presentations of Puerto Rico and Puerto Ricans by Americans (“outsiders”) and Puerto Ricans (“insiders”) during an historical epoch marked by the twin concepts of “modernization” and “progress.” The study excavates the ways in which colonial power and resistance to it have shaped representations of Puerto Rico and its people. Hilda Lloréns demonstrates how nation, race, and gender figure in representation, and how these representations in turn help shape the discourses of nation, race, and gender. *Imaging The Great Puerto Rican Family* masterfully illustrates that as significant actors in the shaping of national conceptions of history image-makers have created iconic symbols deeply enmeshed in an “emotional aesthetics of nation.” The book proposes that images as important conveyers of knowledge and information are a fertile data site. At the same time, Lloréns underscores how colonial modernity turned global, the conceptual framework informing the analysis, not only calls attention to the national and global networks in which image-makers have been a part of, and by which they have been influenced, but highlights the manners by which technologies of imaging and “seeing” have been prime movers as well as critics of modernity.
