Murder Through the English Post Sep 18 2022 A rash of poison pen letters has enveloped the sleepy English village of Walmsley Parva in cloud of suspicion and paranoia. But when rampant aspersions culminate in murder, enquiry agents Beryl Helliwell and Edwina Davenport must stamp out the evil-minded epistles . . . What began for two dear if very different friends—an American adventuress and a prim and proper Brit—as a creative response to the lean times following the Great War has evolved into a respectable private enquiry business. So much so that Constable Gibbs calls upon Beryl and Edwina to solve a curious campaign of character assassination. A series of anonymous accusations sent via post have set friend against friend and neighbor against neighbor. In her new position as magistrate, Edwina has already had to settle one dispute that led to fisticuffs. Even Beryl has received a poison pen letter, and while she finds its message preposterous and laughable, others are taking the missives to heart. Their headstrong housekeeper Beddoes is ready to resign and one villager has attempted to take her own life. The disruption of the peace goes far beyond malicious mischief when another villager is murdered. Now it's up to the intrepid sleuths to read between the lines and narrow down the suspects to identify the lethal letter writer and ensure that justice is delivered . . .

The Murder at the Vicarage Dec 17 2019 Colonel Protheroe, St. Mary Mead's most loathed magistrate, has been found shot through the head. It isn't his murder that raises eyebrows, but rather the scandalous secrets it exposes which send Miss Marple on the trail of a killer with something to hide. Reissue.

Lustmord Mar 20 2020 In a book that confronts our society's obsession with sexual violence, Maria Tatar seeks the meaning behind one of the most disturbing images of twentieth-century Western culture: the violated female corpse. This image is so prevalent in painting, literature, film, and, most recently, in mass media, that we rarely question what is at stake in its representation. Tatar, however, challenges us to consider what is taking place--both artistically and socially--in the construction and circulation of scenes depicting sexual murder. In examining images of sexual murder (Lustmord), she produces a riveting study of how art and murder have intersected in the sexual politics of culture from Weimar Germany to the present. Tatar focuses attention on the politically turbulent Weimar Republic, often viewed as the birthplace of a transgressive avant-garde modernism, where representations of female sexual mutilation abound. Here a revealing episode in the gender politics of cultural production unfolds as male artists and writers, working in a society consumed by fear of outside threats, envision women as enemies that can be contained and mastered through transcendent artistic expression. Not only does Tatar show that male artists openly identified with real-life sexual murderers--George Grosz posed as Jack the Ripper in a photograph where his model and future wife was the target of his knife--but she also reveals the ways in which victims were disavowed and erased. Tatar first analyzes actual cases of sexual murder that aroused wide public interest in Weimar Germany. She then considers how the representation of murdered women in visual and literary works functions as a strategy for managing social and sexual anxieties, and shows how violence against women can be linked to the war trauma, to urban pathologies, and to the politics of cultural production and biological reproduction. In exploring the complex relationship between victim and agent in cases of sexual murder, Tatar explains how the roles came to be destabilized and reversed, turning the perpetrator of criminal deeds into a defenseless victim of seductive evil. Throughout the West today, the creation of similar ideological constructions still occurs in societies that have only recently begun to validate the voices of its victims. Maria Tatar's book opens up an important discussion for readers seeking to understand the forces behind sexual violence and its portrayal in the cultural media throughout this century.

The Rise of True Crime: 20th-Century Murder and American Popular Culture Feb 11 2022 During the 1950s and 1960s True Detective magazine developed a new way of narrating and understanding murder. It was more sensitive to context, gave more psychologically sophisticated accounts, and was more willing to make conjectures about the unknown thoughts and motivations of killers than others had been before. This turned out to be the start of a revolution, and, after a century of escalating accounts, we have now become a nation of experts, with many ordinary people able to speak intelligently about blood-spatter patterns and organized vs. disorganized serial killers. The Rise of True Crime examines the various genres of true crime using the most popular and well-known examples. And despite its examination of some of the potentially negative effects of the genre, it is written for people who read and enjoy true crime, and wish to learn more about it. With skyrocketing crime rates and the appearance of a frightening trend toward social chaos in the 1970s, books, documentaries, and fiction films in the true crime genre tried to make sense of the Charles Manson crimes and the Gary Gilmore execution events. And in the 1980s and 1990s, true crime taught pop culture consumers about forensics, profiling, and highly technical aspects of criminology. We have thus now become a nation of experts, with many ordinary people able to speak intelligently about blood-spatter patterns and organized vs. disorganized serial killers. Through the suggestion that certain kinds of killers are monstrous or outside the realm of human morality, and through the perpetuation of the stranger-danger idea, the true crime aesthetic has both responded to and fostered our culture's fears. True crime is also the site of a dramatic confrontation with the concept of evil, and one of the few places in American public discourse where moral terms are used without any irony, and notions and definitions of evil are presented without ambiguity. When seen within its historical context, true crime emerges as a vibrant and meaningful strand of popular culture, one that is unfortunately devalued as lurid and meaningless pulp.

Unsolved Murders Feb 28 2021 Mystifying Cases Of True Crimes That Have Never Been Solved: What Happened To Them? Claim Your FREE Books Each Week With This Book! Murder is something that has been going on since the beginning of time.

Some people blame this on a problem with the brain, stating that the murderer must have been wired wrong. Others believe that something terrible must have happened to these people early on in life. However, the truth is that sometimes, people just snap, they go into a rage and they become something short of human... It is at this point that common sense does not matter any longer, and the murderer begins acting as if they are some kind of animal, thirsty for the blood of their victims. However, while we know that this happens, we tell ourselves that it will be balanced out, that if someone commits a murder, they will face judgment, they will be punished for the crimes that they have committed. What happens, however, when the murderer is not punished? When the case goes, cold and remains unsolved? While these cases have gone cold, there is still hope that someday, somehow, someone will be punished for these horrific crimes... Here's A Preview Of What's In This Book... - Unsolved Murders: Black Dahlia - Unsolved Murders: The New Orleans Axe Man - Unsolved Murders: America's Unknown Child - Unsolved Murders: Zodiac Murders - Unsolved Murders: The Phantom Killer - Unsolved Murders: Bone Collector of West Mesa - Much, much more! De moordclub (op donderdag) Nov 20 2022 In een prettig en rustig bejaardenhuis vormen vier bewoners een onwaarschijnlijk clubje. Een keer per week, op de donderdag, ontmoeten ze elkaar om onopgeloste moorden te onderzoeken. Als een vastgoedontwikkelaar uit het nabijgelegen stadje wordt vermoord komt 'de moordclub' in actie; het is hun eerste grote zaak. Tot hun verbazing lijkt de moord alles te maken te hebben met hun eigen verzorgingshuis. De vier vrienden mogen dan wel behoorlijk op leeftijd zijn, ze hebben allemaal meer dan genoeg levenservaring. Maar zijn ze nog in staat om een moordenaar te vinden voor hij weer toeslaat?

Murder Through the Grapevine Jan 22 2023 Roni Jarrett was once in love with a high-rolling strip club owner who used her and abused her. He caused her to lose the job of her dreams, not to mention her self respect. With nothing left but her newfound faith in Christ and her old BMW, she hits the road and ends up where she started, in her old hometown. With a new job in an upscale beauty salon, and a position as music director for her church, she's doing all she can to live a life that's pleasing in the eyes of God. Unfortunately, other people's drama has a way of following Roni Jarrett and it follows her to her new life in Florida. When her best friend from childhood turns up dead in the streets, the local police behaves as if Roni may have had a hand in that death, and everything changes. Roni finds herself caught up in a dangerous maze of gossip and lies that could lead to her own destruction. The only man willing to help her, Police Chief Don Gillette, is a gorgeous hunk of a human being who makes Roni's heart pound, but his own reputation causes even more drama to enter her life. Roni is tested time and again as she struggles to understand what is happening around her. Her budding relationship with Don Gillette, a relationship that seems sent from God, may get caught in the wreckage too. Will Roni's newfound faith be able to withstand so many trials, and will Don Gillette turn out to be the love of her life or the worst thing that had ever happened to her?

The Dark Web Murders Jan 30 2021 I AM NEMEIN. I AM EMOTIONALLY DETACHED FROM MY KILLINGS. I AM NOT, THEREFORE, A MURDERER. I AM AN INSTRUMENT OF NEMESIS, A PUNISHER. This is a theme running through a number of blogs on the Dark Web, written by a serial killer. He is highly intelligent and employs philosophical argument to justify a series of gruesome murders. However, he describes the killings in lurid detail, and with such gloating relish, that he utterly negates his delusion of detachment and reveals himself to be a cold-blooded, narcissistic psychopath. Sheehan and his team rush headlong down a series of blind alleys in the pursuit of the psychopath, who continues to murder his victims with impunity. He is fiendishly clever, utterly ruthless, and tests Sheehan's famed intuition to the limit. Indeed, Sheehan only learns the truth during a horrific climax when some members of his team experience a most harrowing 'laceration of the soul' that they will never be able to forget. It is unlikely that the reader will either. "The first thing I thought after reading this book is: Why isn't Brian O'Hare better known in the crime writing world? This man is extremely talented, and his book a wonderful 'whodunnit' that left me guessing until the end." [Joseph Sousa, Crime Writer] "Head and shoulders above most mystery authors who are published today, Brian O'Hare deserves a wider recognition. You won't regret purchasing his books." [C&B Todd, Amazon Reviewer] *Baby Be Mine* Nov 27 2020 THE MIRACLE OF LIFE When Lisa Montgomery presented her husband Kevin with their new-born baby girl, he was ecstatic. Naming the child Abigail, the couple brought her to their local pastor. Miles away, police were investigating the brutal murder of a pregnant woman... THE HORROR OF MURDER Twenty-three year old Bobbie Jo Stinnett was found by her mother, lying in a pool of blood, looking as if her stomach "had exploded." Investigators soon determined: Someone had strangled Bobbie Jo to death--and then cut her fetus from her womb... THE WOMAN ACCUSED OF KILLING FOR AN UNBORN CHILD... In late 2004, two women met in a dog-breeding internet chat room. When Elizabeth Montgomery came face to face with eight-months-pregnant Bobbie Jo Stinnett, prosecutors claim she already had a plan. Investigators knew that Bobbie Jo had fought desperately for her life--and that her fetus, alive or dead, was gone. Investigators scrambled after a killer. An "Amber Alert" went out for an hours-old infant. And this horrifying case was about to shock neighbors and a nation: of a woman accused of murdering for a baby...

The Murder Police 2 Sep 06 2021 In the summer of 2004, while Chicago slept, a dark cloud crept over the city. A dark and dangerous mist slept under the locked doors and through the windows of single black women on the south side of Chicago. When it left, it took the hearts and souls of innocent families with it: by taking the lives of single black women who lived alone. The doors and windows were locked from the inside: yet a murderer got inside and killed two single black women while they slept peacefully in their beds. Their throats were cut. Like a mist, death was unseen. The media sensationalized the murders and panic spread throughout the south side. No single woman who lived in the area felt safe anymore. The landlords all had a no dogs allowed policy, because of liability issue, and therefore pet protection was not an option. The community leaders demand more police presence in the small area where both murders occurred. The Murder Police are on the case and must stop the killer or killers before another woman was found dead in her bed. This is a city where killing never stops. Chicago, we never close. There were over four hundred murders committed on the street Chicago last year and the city was on pace to surpass those numbers. The Murder Police must balance their time, and their investigations, to solve not just one murder, but a crisis that plagued the city. Come follow them as they track down every lead even across state lines and interview witnesses who describe, in their own words, what they saw and heard on those deadly nights. The women who lived alone on the South side of Chicago were not able to sleep peacefully. They wondered if it was safe to close their eyes and fall asleep in their own beds. Your heart may skip a beat as we follow these detectives to the doors of death and beyond. Will it ever be safe again....?

Seven Bones (second Edition) Apr 20 2020 Seven Bones is the story of one of the more bizarre murder investigations in Australia's history. Two wives die in suspicious circumstances: co-incidence or, as husband Thomas Keir describes it, 'bad luck'? Three years after Thomas Keir alleged his first wife Jean deserted him and her young son for another man, his second wife Rosalina, Jean's cousin, lay scorched and strangled on her bed. Arriving on the scene, Detective Peter Seymour realised he was dealing with the world's unluckiest husband or a serial wife killer. While Keir was remarkably found 'not guilty' of Rosalina's murder, despite a clear-cut case, her death unlocked the mystery of Jean's disappearance. A subsequent police investigation lead to the discovery of seven small fragments of Jean's bones - fingers, knuckles and toes - buried deep under the same house in which Rosalina died. Keir's 'grieving husband' act was suddenly in question. The investigation revealed Thomas Kier was a man so jealous he hated even his own baby son touching his wife, Jean. A man so possessive he threatened he would cut her up and feed her to the dogs if she ever left him. A man who thought he could commit the perfect crime and publicly taunted the police through the media. Written through the eyes of Detective Peter Seymour, Seven Bones follows his relentless pursuit of justice and his own family sacrifices, through the drama of the police investigation into Jean's death, and the three trials, convictions, and appeals that would take fifteen years to reach their final conclusion.

Murder in Renaissance Italy Apr 01 2021 This invaluable collection explores the many faces of murder, and its cultural presences, across the Italian peninsula between 1350 and 1650. These shape the content in different ways: the faces of homicide range from the ordinary to the sensational, from the professional to the accidental, from the domestic to the public; while the cultural presence of homicide is revealed through new studies of sculpture, paintings, and popular literature. Dealing with a range of murders, and informed by the latest criminological research on homicide, it brings together new research by an international team of specialists on a broad range of themes: different kinds of killers (by gender, occupation, and situation); different kinds of victim (by ethnicity, gender, and status); and different kinds of evidence (legal, judicial, literary, and pictorial). It will be an indispensable resource for students of Renaissance Italy, late medieval/early modern crime and violence, and homicide studies.

Murders in the United States Jul 16 2022 From the assassination of President William McKinley on September 6, 1901, to the mass killing at Columbine High School on April 20, 1999, the 20th century saw many murderous events that are difficult to contemplate but have become a part of the national history. This reference book is divided into three parts. Part One, arranged chronologically, details 53 of the most famous murder cases of the 20th century in the United States. In Part Two, over 300 entries (alphabetically arranged by criminal) provide descriptions of crimes and are subdivided into male, female, and juvenile murderers; pair and group murderers; hate crime murderers; and school killings. Part Three features crime events related to over 40 selected victims. Cross references guide the reader to additional information. An index is included.

The Savage City Oct 07 2021 It was a time of hope and desperation, a time of reckoning . . . In the early 1960s, the Mad Men era, a mood of menace gripped New York City. The crime rate was growing and violence was becoming a daily reality for citizens in every neighbourhood. At the centre of the unrest was a poisonous divide between two camps: the deeply corrupt and racist police of the era and the African American community. Then, on 28 August 1963 - the day on which Martin Luther King Jr stood on the steps of the Lincoln Memorial and declared, 'I have a dream' - two young white women were murdered in their Manhattan apartment. The killings struck fear through the city and ignited a ten-year saga of racial violence and unrest. An epic true-life story of murder, injustice and defiance, *The Savage City* draws on interviews with participants and extensive research to tell the stories of three very different New Yorkers - an innocent man wrongly accused of murder, a corrupt cop and a militant Black Panther - and to explore this traumatic decade in the city's history.

Real Murders May 22 2020 'Harris draws the guilty and the innocent into an engrossing tale while inventing a heroine as capable and potentially complex as P. D. James's Cordelia Gray' (Publishers Weekly) #1 New York Times and Sunday Times bestselling author Charlene Harris introduces a librarian whose bookish bent for murder gets her involved in a real-life killing spree . . . Lawrenceton, Georgia, may be a growing suburb of Atlanta, but it's still a small town at heart. Librarian Aurora 'Roe' Teagarden grew up there and knows more than enough about her fellow townsfolk, including which ones share her interest in the darker side of human nature . . . With those fellow crime buffs, Roe belongs to a club called Real Murders, which meets once a month to analyze famous cases. It's a harmless pastime - until the night she finds a member dead, killed in a manner that eerily resembles the crime the club was about to discuss. As other brutal "copycat" killings follow, Roe will have to uncover the person behind the terrifying game, one that casts all the members of Real Murders, herself included, as prime suspects-or potential victims . . . 'Clearly focused plot, animated description of character and real estate, and sparkling prose commend this breath of fresh air to all collections' (Library Journal) 'Great bloody fun' (Barbara Paul)

Manx Murders Jul 04 2021 A beautiful island lying in the northern part of the Irish Sea between England, Scotland, Ireland and Wales, the Isle of Man was once a popular holiday destination. It is perhaps better known today for the TT motorcycle races held there, its tailless cats and Manx kippers. However, it also has its darker side. Manx Murders is a collection of gripping and mysterious murder cases committed on the Island over the last 150 years, from the brutal slaying of a spinster one dark night on a lonely track near Ramsey to the infamous 'Golden Egg Murder' in central Douglas. The cases that have caused shock and sensation throughout two centuries of the Island's history are recorded here as the author reveals the events behind the last hanging on the Island, a deathbed confession, the harrowing story of a murderous father and the cases that remain unsolved to this day. The Island's political importance as a wartime holding area for prisoners of war is also explored through the account of a bizarre, seemingly motiveless killing in 1916 and the stabbing of a Finnish prisoner during the Second World War. Using information obtained from newspapers, inquest records and trial transcripts whenever these were available, each murder is described against the backdrop of contemporary events to give the reader a distinct flavour of life at the time of the crime. While each case is unique, all share an overwhelming sadness and tragedy that will never be forgotten.

Murder in the Village: A Completely Unputdownable English Cozy Mystery Jun 22 2020 Meet Belinda Penhurst. Castle owner, dog lover... crime solver? Belinda Penhurst loves her home village Little Challham, with its shady lanes, two pubs and weekly market, and she's determined to keep it peaceful. She may live in Challham Castle but she knows almost everything that goes on under her nose. So when irritable pub landlord Tipper is found dead in his cellar, she's perfectly placed to investigate. Retired detective Harry Powell moved to Little Challham for a quiet life. He didn't expect to be dragged into a murder investigation. But the police don't seem half as enthusiastic as Belinda about the case, and there are strange things happening in the village. Particularly the number of dogs that have disappeared lately... Is there a dognapper snaffling schnauzers and luring away Labradors? Is Belinda barking mad to be worried that her brother Marcus was arguing with Tipper on the day he died? Belinda and Harry track down the suspects: the rival landlord, the outraged barmaid, the mysterious man in the black car following dogwalkers around. But are the dogged detectives running out of time to sniff out the killer, before he starts hounding them? A charming cozy mystery full of laughs and eccentric characters. Fans of M.C. Beaton, H.Y. Hanna and Emily Organ will love the first novel in the Belinda Penhurst series! See what readers are saying about Murder in the Village 'Wonderful... I absolutely adored this book! THE MAN WHO FELL THROUGH THE EARTH (Murder Mystery Classic) Aug 17 2022 This carefully crafted ebook: "THE MAN WHO FELL THROUGH THE EARTH (Murder Mystery Classic)" is formatted for your eReader with a functional and detailed table of contents. Excerpt: It was to the effect that Amos Gately had been shot before he entered the elevator or immediately upon his entrance. That he had died instantly, and, therefore it would seem that the body must have been placed in the car and sent down by the assailant. But this was only conjecture; all the doctor could assert was that Mr. Gately had been dead for perhaps an hour, and that the position of the body on the floor indicated an instantaneous death from a shot through the heart. Carolyn Wells (1862-1942) was an American writer and poet. Among the most famous of her mystery novels were the Fleming Stone Detective Stories, and Pennington Wise series. She also wrote several Sherlock Holmes stories.
