but I know what I like" school
of color theory, this book's for
you. You won't find color

harmony here . . . just 500+
tried-and-true color

created over the past century
by designers, artists and color
experts. You'll find historical
color combinations from the

It's not just what colors you
use, but how you use them.
That's why the color

arranged in simple, sample
layouts rather than pages of
out-of-context swatches.

in CMYK, these layouts show
you which colors work for
