*Cross Vision Study Guide Feb 20 2023* In his revolutionary book *Cross Vision*, Gregory A. Boyd proposed his groundbreaking "cruciform hermeneutic," a way for Christians to make sense of the violence of the Old Testament by seeing it through the crucifixion of Jesus. Now Boyd has teamed up with pastor Deacon Godsey to develop this study guide for individuals and groups. Using this guide, readers can work through *Cross Vision* chapter by chapter, consider various stories from the Bible, and hear from Boyd about questions that have come up since he wrote the book. The *Cross Vision Study Guide* is an essential aid for anyone wrestling with depictions of a violent God, yet living with faith in a peaceful Christ.

It covers Church history and the revelations in the Doctrine and Covenants from the birth of Joseph Smith in 1805 through the beginnings of the Kirtland and Missouri periods. We study the organization of the Church in 1830 and the migration of the Saints to Kirtland, Ohio, where the law and order of the Church is given, the law of consecration begins, and spiritual gifts are manifested. We also read concerning the early events in Missouri, where the land of Zion is dedicated for the gathering of the Saints. In all, it covers 27 years of Church History, and covers sections 1-99 of the Doctrine and Covenants and the Joseph Smith History in the Pearl of Great Price.
