**The Odd Couple on Stage and Screen** Dec 22 2022 Inspired by the real life post-divorce experiences of television comedy writer Danny Simon, *The Odd Couple* has touched multiple generations of fans. Playwright Neil Simon embellished his brother Danny's pseudo-sitcom situation and created an oil-and-water twosome with memorable characters showcasing the foibles of mankind. The original Broadway production enjoyed a run of 964 performances. The story of the cohabitation of Felix Ungar and Oscar Madison translated extremely well to the silver screen, and then in 1970 to television, where it brought weekly laughs and mirth to an even larger audience for five seasons in prime time. This thorough history details *The Odd Couple* in all its forms over the decades. It provides capsule biographies of the stage, film and television casts and crew, as well as an episode guide and a wealth of little-known information.

*Conversations with Neil Simon* Feb 12 2022 Neil Simon (1927-2018) began as a writer for some of the leading comedians of the day—including Jackie Gleason, Red Buttons, Phil Silvers, and Jerry Lewis—and he wrote for fabled television programs alongside a group of writers that included Mel Brooks, Woody Allen, Larry Gelbart, Michael Stewart, and Sid Caesar. After television, Simon embarked on a playwriting career. In the next four decades he saw twenty-eight of his plays and five musicals produced on Broadway. Thirteen of those plays and three of the musicals ran for more than five hundred performances. He was even more widely known for his screenplays—some twenty-five in all. Yet, despite this success, it was not until his *BB Trilogy*—*Brighton Beach Memoirs*, *Biloxi Blues*, and *Broadway Bound*—that critics and scholars began to take Simon seriously as a literary figure. This change in perspective culminated in 1991 when his play *Lost in Yonkers* won the Pulitzer Prize for Drama. In the twenty-two interviews included in *Conversations with Neil Simon*, Simon talks candidly about what it was like to write commercially successful plays that were dismissed by critics and scholars. He also speaks at length about the differences between writing for television, for the stage, and for film. He speaks openly and often revealingly about his relationships with, among many others, Mike Nichols, Walter Matthau, Sid Caesar, and Jack Lemmon. Above all, these interviews reveal Neil Simon as a writer who thought long and intelligently about creating for stage, film, and television, and about dealing with serious subjects in a comic mode. In so doing, *Conversations with Neil Simon* compels us to recognize Neil Simon's genius. [Neil Simon's 'The Odd Couple': Why Oscar Madison and Felix Ungar are Unable to Live with Each Other](#) Feb 24 2023 Seminar paper

from the year 2006 in the subject American Studies - Literature, grade: 1,3, Dresden Technical University (Institut für Anglistik und Amerikanistik), course: American Comedies, 5 entries in the bibliography, language: English, abstract: "I am a creature controlled by some cruel fate that had twisted and warped my personality so that at the first sign of personal involvement, I became transformed from human being into the most feared and dangerous beast on earth, the observer-writer", says Neil Simon, calling himself "a monster who finds himself totally involved in situations, and then suddenly and without warning steps back to watch the proceeding". Some call Simon "Broadway's most successful playwright", others "in commercial terms, the most successful dramatist in the American theatre, and probably in the history of the world". Fact is, he has had dozens of plays produced and "has been showered with more Academy and Tony nominations than any other writer". Born on July 4, 1927, Marvin Neil Simon grew up in Manhattan and shortly attended New York University and the University of Denver. His most significant job came in the early 1950s when he started writing for television comedy series. By the 1960s, Simon had begun to concentrate on writing plays for Broadway. His first hit was 'Come Blow Your Horn' in 1961. Throughout his career, Simon "has drawn extensively on his own life and experience for materials for his plays". The author's "milieu is middle-aged, middle class New York [, neighborhoods he knows well from when he was a child], and he builds much of his humor on the familiarity of that world to his audience". But Simon is probably best known for his characters Oscar Madison and Felix Ungar from his 1965 playwright 'The Odd Couple'. "Neil Simon's fabulously funny creation *The Odd Couple* started out in 1965 as a Broadway play, became a movie in 1968 and then was adapted for TV by ABC in 1970, remaining on screen for five years and more th

**Matthau** Sep 26 2020 Funny yet down-to-earth, honest yet full of exaggeration, actor Walter Matthau (1920-2000) will always occupy a place in America's heart as one of the great comic talents of his generation. Born Walter Matuschanskayasky into Jewish tenements on New York's Lower East Side, he was a child actor in New York Yiddish theater, and later a World War II Air Force radioman-gunner. He paid dues for ten years on Broadway, in summer stock, and on television before landing his film debut *The Kentuckian* in 1955. By the time of his 1968 casting as cantankerous but lovable slob Oscar Madison in the film version of Neil Simon's *The Odd Couple*, Matthau had won major Hollywood stardom. Based on dozens of interviews and extensive research, this book covers the breadth of his often-complicated personal life and multi-faceted career, including his unforgettable performances in such films as *The Fortune Cookie*, *A Guide for the Married Man*, *Plaza Suite*, *Charley Varrick*, *The Taking of Pelham One Two Three*, *The Sunshine Boys*, *The Bad News Bears*, *California Suite*, and *Grumpy Old Men*.

**Odd Couple, The Season 1** Jun 04 2021 Jack Klugman and Tony Randall give an advanced course in chemistry in the auspicious first season of *The Odd Couple*. In these first episodes, *The Odd Couple* hews pretty much to the voice and spirit of Neil Simon's play about mismatched roommates, sloppy sportswriter Oscar Madison and 'miserable, picky, irritating' photographer Felix Unger. Playing pivotal roles this first season are Felix and Oscar's poker playing buddies, Murray the cop (Al Molinaro), Vinnie, Roy, and Speed, the fabulous Pigeon sisters (Monica Evans and Carole Shelley reprising their Broadway and film roles).

*Oscar and Felix* Nov 09 2021 America's comic mastermind has updated his classic comedy *The Odd Couple*, bringing the trials and tribulations of Felix Unger and Oscar Madison to the present day. Those who love the original version will laugh all over again at the classic characters in an all-new setting.

**Neil Simon** May 23 2020 First Published in 1997. The 16 essays and interviews in this volume explore the background and works of Neil Simon, the most successful playwright in American history. Several of the entries trace Simon's Jewish heritage and its influence on his plays. Although Simon is best known as a writer of a remarkable series of hit Broadway comedies, the contributors to this book have identified a number of "serious" recurring themes in his work, suggesting that a reassessment of the playwright as a dramatist is appropriate. Three interviews with Simon and his longtime producer yield valuable facts about the playwright that will, along with the critical essays, aid the scholar seeking new insights into contemporary American drama in general and Neil Simon in particular.

Understanding Neil Simon Dec 18 2019

Koprince (English, U. of North Dakota at Grand Forks) seeks to grant the prolific and popular playwright a measure of the serious literary attention that has passed his work by. She analyzes 16 of Simon's comedies beginning with his first Broadway effort, *Blow your horn* (1961) and ending with *Laughter on the 23rd floor* (1993). Koprince emphasizes Simon's versatility, craftsmanship, and willingness to experiment with the comedic form as well as the fundamentally serious nature of his plays. Small format: 5.25x7.25". **Rewrites** May 03 2021 Neil Simon's plays are to some extent a reflection of his life, sometimes autobiographical, other times based on the experiences of those close to him. What the reader of this warm, nostalgic memoir discovers, however, is that the plays, although

grounded in Neil Simon's own experience, provide only a glimpse into the mind and soul of this very private man. In *Rewrites*, he tells of the painful discord he endured at home as a child, of his struggles to develop his talent as a writer, and of his insecurities when dealing with what proved to be his first great success -- falling in love. Supporting players in the anecdote-filled memoir include Sid Caesar, Jerry Lewis, Walter Matthau, Robert Redford, Gwen Verdon, Bob Fosse, Maureen Stapleton, George C. Scott, Peter Sellers, and Mike Nichols. But always at center stage is his first love, his wife Joan, whose death in the early seventies devastated him, and whose love and inspiration illuminate this remarkable and revealing self-portrait. *Rewrites* is rich in laughter and emotion, and filled with the memories of a sometimes sweet, sometimes bittersweet life.

*What's His Name? John Fiedler* Nov 16 2019

*What's His Name? John Fiedler* The Man The Face The Voice highlights the captivating life and work of character and voice actor John Fiedler. Most people are familiar with John's voice work as Winnie the Pooh's best friend, Piglet. John was hand-picked by Mr. Walt Disney, and worked for the Disney Company, providing the voice of Piglet, for 37 years (1968-2005). In addition to John's wonderful voice acting career, he had a lucrative career in television and film. John is known for his roles in memorable films such as *12 Angry Men*, *A Raisin in the Sun*, *The Odd Couple*, *True Grit*, *That Touch of Mink*, and *A Fine Madness*. John has the special distinction of entering television during its inception, riding the ever-changing current of TV for nearly 60 years. John is remembered for his notable guest appearances in television shows such as *The Bob Newhart Show*, *The Odd Couple*, *The Twilight Zone*, *The Munsters*, *Star Trek*, *Bewitched*, *Get Smart*, *Three's Company*, *The Golden Girls*, *Cheers*, and many more. John spent the later portion of the 1940s and the entire 1950s in New York, relocated to California during the 1960s and 1970s, and returned to New York in 1980, where he would remain for the duration of his life. John certainly had an impressive career, spanning nearly six decades. John's work and creations will continue to live on in the hearts of millions.

*Odd Couple One and Two* Jul 17 2022 "The Odd Couple I" and "The Odd Couple II," by America's premier playwright, Neil Simon, are two of the author's most famous and beloved works. Oscar and Felix are two of the stage and screen's most memorable and endearing characters. For the first time, the screenplays are collected in this volume.
