We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.***

***Peterloo Dec 22 2022 The story of the Peterloo massacre, a defining moment in the history of British democracy, told with passion and authority. 'Excellent' Zadie Smith 'Fast-paced and full of fascinating detail' Tim Clayton 'A superb account of one of the defining moments in modern British history' Tristram Hunt 'Peterloo is one of the greatest scandals of British political history... Riding tells this tragic story with mesmerising skill' John Bew On a hot late summer's day, a crowd of 60,000 gathered in St Peter's Field. They came from all over Lancashire - ordinary working-class men, women and children - walking to the sound of***

***hymns and folk songs, wearing their best clothes and holding silk banners aloft. Their mood was happy, their purpose wholly serious: to demand fundamental reform of a corrupt electoral system. By the end of the day fifteen people, including two women and a child, were dead or dying and 650 injured, hacked down by drunken yeomanry after local magistrates panicked at the size of the crowd. Four years after defeating the 'tyrant' Bonaparte at Waterloo, the British state had turned its forces against its own people as they peaceably exercised their time-honoured liberties. As well as describing the events of 16 August in shattering detail, Jacqueline Riding evokes the febrile state of England in the late 1810s, paints a memorable portrait of the reform movement and its charismatic leaders, and assesses the political legacy of the massacre to the present day. As fast-paced and powerful as it is rigorously researched, Peterloo: The Story of the Manchester Massacre adds significantly to our understanding of a tragic staging-post on Britain's journey to full democracy.***

***Return to Peterloo Nov 16 2019 The Peterloo massacre of 1819 is one of the landmarks of British history. Notwithstanding the weeks of legal argument and the decades of noisy disputes about who was responsible, the sheer quantity of information is exceptional, so the basic facts have never been in serious doubt. This book, however, published in time for the bicentenary, offers many new perspectives and crucial new evidence, adding significantly to our understanding of the event and the many issues surrounding it.***

***Peterloo People Jan 19 2020 Imagine the ordinary working folk and their families, whose lives were affected by the events of 16th of August, 1819. Lack of job opportunities, gloomy prospects and increased costs were some of the factors that led to their witness at St Peter's fields. Consider also those who influenced the events and the political atmosphere. Researchers will not find Peterloo People in historical reference books. The literary style aims to introduce this important political milestone through fiction. Real people and events give historical anchors to put flesh on the anonymous participants in what became known***

**as *The Peterloo Massacre*. This is not a clinical history. A potpourri of passions gives the reader the chance to walk in those shoes of the men, women and children, old and young, impoverished and privileged to the peaceful protest. Barbara Keeley MP, says: "Peterloo People is a creative and reflective commemoration of one of the most important episodes in the history of Manchester."**

***Ballads and songs of Peterloo* Oct 16 2019 *Ballads and songs of Peterloo* is an edited collection of poems and songs written following the Peterloo Massacre in 1819. This collection, which includes over seventy poems, were published either as broadsides or in radical periodicals and newspapers. Notes to support the reading of the texts are provided, but they also stand alone, conveying the original publications without diluting their authenticity. Following an introduction outlining the massacre, the radical press and broadside ballad, the poems are grouped into six sections according to theme. Shelley's *Masque of Anarchy* is included as an appendix in acknowledgement of its continuing significance to the representation of Peterloo. This book is primarily aimed at students and lecturers of Romanticism and social history.**

***The Peterloo Massacre Jan 23 2023 \*\*\*The subject of the new major film by Mike Leigh\*\*\* Unity of the oppressed can make a difference in politically uncertain times A peaceful protest turned tragedy; this is the true story of the working class fight for the vote. On August 16 1819, in St Peter's Field, Manchester, a large non-violent gathering demanding parliamentary reform turned into a massacre, leaving many dead and hundreds more injured. This catastrophic event was one of the key moments of the age, a political awakening of the working class, and eventually led to ordinary people gaining suffrage. In this definitive account Joyce Marlow tells the stories of the real people involved and brings to life the atrocity the government attempted to cover up. The Peterloo Massacre is soon to be the subject of a major film directed by Mike Leigh.***

***The Peterloo Massacre Feb 24 2023 \_\_\_\_\_ 'The universal significance of this historic event becomes ever more relevant in our own turbulent times.' MIKE LEIGH, director of the award-winning film Peterloo \_\_\_\_\_ The Peterloo Massacre is a revealing and compelling account of one of the darkest days in Britain's social history. On 16 August 1819, a***

**strong force of yeomanry and regular cavalry charged into a crowd of more than 100,000 workers who had gathered on St Peter's Field in Manchester for a meeting about Parliamentary reform. Many were killed. This violent, startling event became known as Peterloo, one of the darkest days in Britain's social history. The Peterloo Massacre provides a revealing narrative account of the events leading up to Peterloo, starkly describes the actions of that fateful day, and examines its aftermath. It offers a new perspective on the political and military activities of the time, and shows how the very nature of society was powerfully influenced by irreversible technological change: a pattern that, two-hundred years later, still has relevance in understanding the forces shaping our world today.**

**'One of our nation's defining moments.'**  
**STUART MACONIE 'Vivid and rather brilliant.' THE TIMES 'an absorbing analysis of one of the blackest days for civil liberties which this country has ever known. It is a story of heroes and villains, of suffering and carnage and of incompetence, betrayal and brutality, told with the skill of a master craftsman who makes history leap from the page fresh as the morning's newspapers'** **EVENING CHRONICLE 'There are many accounts of the Peterloo Massacre but none as thoroughly researched as this one. The characters . . . come alive in his easy to read style . . . there is much to be learned from Robert Reid's description and analysis of the role and effects of technology, and I hope his book will be widely read. It should be in every school library and discussed by all those involved in the continuing search for civilised solutions to the social and political problems currently facing our people.'** **CAMDEN JOURNAL**

***Trial of Henry Hunt and Others Apr 02 2021 On a fine August day in 1819, several groups of reformers from various Lancastrian industrial towns marched towards St Peter's Field, Manchester, to petition for parliamentary reform and suffrage. It was a colourful display of solidarity, with those gathered proudly holding aloft banners proclaiming their political message. Many in the crowded meeting space eagerly awaited the arrival of the famous political orator, Henry Hunt, who had travelled north to chair this meeting of 60,000 people. As he arrived, the crowd cheered heartily; Hunt bowed to them, and waved his trademark white top hat. After about ten minutes, the Manchester Yeomanry approached the hustings. They had been sent by the on-looking local magistrates to apprehend those who had organised the meeting, as well as those who were expected to speak. Hunt asked the crowd to give the yeomanry three cheers as a friendly gesture - but the crowd's peaceful nature was ignored. The yeomanry arrested all on the hustings, and then charged into the crowd, using their sabres on terrified reformers. These violent actions resulted in a tragedy: eighteen dead and at least seven hundred injured, the first victim being a two year old child, William Fildes. It was not lost on those present that the military had gone from victory at Waterloo to violence at 'Peterloo'. The Peterloo Massacre is an important moment in the democratic and political history of Britain. It has received academic attention that has cemented it into the narrative of the fight for popular suffrage. But until now, although some legal historians have considered it, the trial of those arrested at Peterloo tends not to receive the same coverage: this omission is a kind of secondary injustice against the five men who were convicted of conducting a 'seditious' meeting. Trial of Henry Hunt***

**and Others marks the bicentenary of the trial and enables us to revisit the events of Peterloo through witnesses' testimony, showcasing the tensions that existed between reformers and authorities. It supplements our understanding of Peterloo and serves as a commemoration of reformers' efforts to win the right to vote.**

**Peterloo Aug 06 2021 On 16 August, 1819, at St Peter's Field, Manchester, armed cavalry attacked a peaceful rally of some 50,000 pro-democracy reformers. Under the eyes of the national press, 18 people were killed and some 700 injured, many of them by sabres, many of them women, some of them children. The 'Peterloo massacre', the subject of a recent feature film and a major commemoration in 2019, is famous as the central episode in Edward Thompson's *Making of the English Working Class*. It also marked the rise of a new English radical populism as the British state, recently victorious at Waterloo, was challenged by a pro-democracy movement centred on the industrial north. Why did the cavalry attack? Who ordered them in? What was the radical strategy? Why were there women on the platform, and why were they so ferociously attacked? Using an immense range of sources, and many new maps and illustrations, Robert Poole tells for the first time the full extraordinary story of Peterloo: the English Uprising.**

**Peterloo: the Case Reopened May 23 2020 "The Peterloo Massacre (or Battle of Peterloo) occurred at St Peter's Field, Manchester, England, on 16 August 1819, when cavalry charged into a crowd of 60,000?80,000 that had gathered to demand the reform of parliamentary representation."--Wikipedia.**
