The Rock and the River Feb 22 2023 Coretta Scott King - John Steptoe Award winner In this "taut, eloquent first novel" (Booklist, starred review), a young Black boy wrestles with conflicting notions of revolution and family loyalty as he becomes involved with the Black Panthers in 1968 Chicago. The Time: 1968 The Place: Chicago For thirteen-year-old Sam, it's not easy being the son of known civil rights activist Roland Childs. Especially when his older (and best friend), Stick, begins to drift away from him for no apparent reason. And then it

happens: Sam finds something that changes everything forever. Sam has always had faith in his father, but when he finds literature about the Black Panthers under Stick's bed, he's not sure who to believe: his father or his best friend. Suddenly, nothing feels certain anymore. Sam wants to believe that his father is right: You can effect change without using violence. But as time goes on, Sam grows weary of standing by and watching as his friends and family suffer at the hands of racism in their own community. Sam begins to explore the Panthers with Stick, but soon he's involved in something far more serious—and more dangerous—than he could have ever predicted. Sam is faced with a difficult decision. Will he follow his father or his brother? His mind or his heart? The rock or the river?

The Grand Western Railroad Game May 21 2020 The Grand Western Railroad Game By: Robert S. Farnsworth The Grand Western Railroad Game by Robert S. Farnsworth is a fascinatingly detailed story of the historical importance of Western railroads. It has been meticulously written to educate the reader on the intricacies involved in the creation and growth of the Rock Island System over the "Empire Years." The railroad's premium passenger train service even inspired the popular song "The Rock Island Line is a Mighty Fine Line." To quote the author, "I wrote this book, not from just the viewpoint of a rail fan, hundreds of whom have diligently photographically documented the railroad's passage through time, but from the viewpoint of a former employee and from the insights gained from a broad education in both the university and in the

experience of a practiced transportation planner. I hope that the reader will learn from the stories told here that the workers tried valiantly to do their jobs, that the line's managers were forced to play with the hand that was dealt to them from a less than full deck, and that investors expected to get a reasonable return on the often gigantic sums paid into the corporation. "I hope that the information contained within these covers leads others toward more detailed studies of the railroads and of the conditions in which they survived, if not prospered."

Weerzien in Virgin River Dec 16 2019 Virgin River 3 - Weerzien in Virgin River De bekende Virgin River-boeken nu verfilmd voor Netflix In het plaatsje Virgin River, idyllisch gelegen in de Californische natuur, spelen de verhalen van Robyn Carr zich af. De tijd lijkt er soms stil te staan; het leven is er goed, en de mensen hebben nog tijd voor elkaar. Maar wat gebeurt er als een buitenstaander zich in dit verborgen paradijs begeeft? Politieagent Mike Valenzuela kiest ervoor om in Virgin River te revalideren van de zware verwondingen die hij heeft opgelopen tijdens zijn werk in LA. Een beetje vissen, eten in het café van zijn vriend Jack en genieten van de mooie omgeving - zo hoopt hij weer de oude te worden. Eén ding wil hij echter voorgoed veranderen: na vele avontuurtjes is hij klaar voor een serieuze relatie. Brie Sheridan weet wat er in de wereld te koop is. Ze is gescheiden, en ook in haar werk als hulpofficier van justitie komt ze regelmatig met de harde werkelijkheid in aanraking. Ze besluit dan ook de kat uit de boom te kijken als blijkt dat Mike, die ze kent als een versierder, graag een relatie met haar wil.

Dan overkomt Brie iets vreselijks, en is het juist Mike die haar als enige kan helpen. Langzaam maar zeker komen ze steeds nader tot elkaar en ontdekken beiden wat het betekent om echt van iemand te houden.
