The Hawthorn Tree Apr 28
2021 With easy informality the
author sets down his thoughts
on education, art, and life in

the war-torn world of 1943.
Each chapter is complete in
itself, but all are built on a
central theme. The essence of
the theme is that our training
and our ideals have become
mechanical and sterile, that the
simple and perennial values of
life are in danger of being
forgotten. Originally published
in 1943. A UNC Press Enduring
Edition -- UNC Press Enduring
Editions use the latest in digital
technology to make available
again books from our
distinguished backlist that
were previously out of print.
These editions are published
unaltered from the original,
and are presented in affordable
paperback formats, bringing
readers both historical and
cultural value.

*A.M. Burrage - The Hawthorn
Tree & Other Stories* Nov 23
2020 Alfred McLelland Burrage
was born in 1889. His father
and uncle were both writers,
primarily of boy's fiction, and
by age 16 AM Burrage had
joined them and quickly
became a master of the market
publishing his stories regularly
across a number of
publications. By the start of the
Great War Burrage was well
established but in 1916 he was
conscripted to fight on the
Western Front, his experiences
becoming the classic book War
is War by Ex-Private X. For the
remainder of his life Burrage

was rarely printed in book form
but continued to write and be
published on a prodigious scale
in magazines and newspapers.
His supernatural stories are, by
common consent, some of the
best ever written. Succinct yet
full of character each reveals a
twist and a flavour that is
unsettling.....sometimes
menacing....always disturbing.
In this volume we bring you -
The Hawthorn Tree, The Ivory
Cards, Little Bride-of-a-Day,

Under The Hawthorn Tree

Jan 18 2023 Jingqiu, an innocent young woman from a politically questionable family in the city, is selected as one of a small group of students to be sent to the countryside to work on a project that will further the Cultural Revolution. Clever, curious and eager, she tries to fit in with her hosts and the rural way of life, and it isn't appropriate for her to fall in love. But she does, with the son of a mighty army general. This beautiful, simple story of love against the odds will break your heart.

Troon van gif

Jun 18 2020 "Troon van gif" is het eerste deel van de Moorehawke-trilogie. De roman, die zich afspeelt in een veertiende-eeuws Europa, is een opmerkelijke combinatie van hoofse intriges, avontuur en romantiek. Pratende katten en

verschijnende en verdwijnende geesten vervolmaken het verhaal tot een fascinerende historische fantasie. "Troon van gif" vertelt het verhaal van de 15-jarige Wynter Moorehawke. Na een periode van vijf jaar in de Noordelijke landen keren Wynter en haar vader terug naar hun eigen land. Tijdens hun afwezigheid is alles veranderd. De kroonprins Alberon wordt vermist en de koning doet er alles aan zijn sporen uit te wissen. Hij dwingt zijn bastaardzoon Lord Razi de plaats van Alberon als troonopvolger in te nemen. Razi daarentegen is vastbesloten zijn halfbroer te vinden en de vrede en stabiliteit in het koninkrijk te herstellen. Wynter komt voor de moeilijke keuze te staan: blijven en buigen voor de wil van de koning of haar doodzieke vader verlaten en zich aansluiten bij haar vriend Razi en de mysterieuze Christopher. Als het trio het mysterie rond de verdwijning van Alberon probeert op te lossen, worden zij continu bedreigd door gevangenneming, moord of marteling. Troon van gif is een vertelling die de lezer vanaf het allereerste moment grijpt en niet meer loslaat. De personages zijn met zo'n nauwkeurigheid en met zo'n sympathie beschreven dat ze in het hoofd van de lezer blijven hangen tot het laatste hoofdstuk is uitgelezen. 'Compact geschreven, de stem van de verteller is sterk en de schrijfstijl zwierig. Een uitstekend verhaal van een debuterend Ierse schrijver.' - Children's Books Ireland

'Warm aanbevolen voor jong volwassen lezers en ver daarboven.' - The Irish Times 'Dit is prachtig, levendig schrijven en verhalen vertellen op z'n absolute best.' Roddy Doyle Celine Kiernan (Ierland) is geboren en opgegroeid in Dublin. Ze werkt al jaren in de filmindustrie als maker van klassieke animaties. Haar eerste boek schreef ze op haar elfde en ze is sindsdien niet meer gestopt met schrijven. Ze heeft een zwakte voor graphic novels, omdat ze in die boeken storytelling en animaties kan combineren. "Troon van gif" is haar debuut als auteur.

Hawthorn Sep 14 2022 An engaging introduction to the ancient hawthorn tree and its varied roles in human history One of humankind's oldest companions, the hawthorn tree is bound up in the memories of every recorded age and the plot lines of cultures across the Northern Hemisphere. In Hawthorn, Bill Vaughn examines the little-recognized political, cultural, and natural history of this ancient spiky plant. Used for thousands of years in the impenetrable living fences that defined the landscapes of Europe, the hawthorn eventually helped feed the class antagonism that led to widespread social upheaval. In the American Midwest, hawthorn-inspired hedges on the prairies made nineteenth-century farming economically rewarding for the first time. Later, in Normandy, mazelike hedgerows bristling with these thorns nearly cost the Allies World War II. Vaughn shines light on the full scope of the tree's influence over human

events. He also explores medicinal value of the hawthorn, the use of its fruit in the world's first wine, and the symbolic role its spikes and flowers played in pagan beliefs and Christian iconography. As entertaining as it is illuminating, this book is the first full appreciation of the hawthorn's abundant connections with humanity.

The Long, Long Life of Trees

Nov 11 2019 A lyrical tribute to the diversity of trees, their physical beauty, their special characteristics and uses, and their ever-evolving meanings. Since the beginnings of history trees have served humankind in countless useful ways, but our relationship with trees has many dimensions beyond mere practicality. Trees are so entwined with human experience that diverse species have inspired their own stories, myths, songs, poems, paintings, and spiritual meanings. Some have achieved status as religious, cultural, or national symbols. In this beautifully illustrated volume Fiona Stafford offers intimate, detailed explorations of seventeen common trees, from ash and apple to pine, oak, cypress, and willow. The author also pays homage to particular trees, such as the fabled Ankerwyke Yew, under which Henry VIII courted Anne Boleyn, and the spectacular cherry trees of Washington, D.C. Stafford discusses practical uses of wood past and present, tree diseases and environmental threats, and trees' potential contributions toward slowing global climate change. Brimming with unusual

topics and intriguing facts, this book celebrates trees and their long, long lives as our inspiring and beloved natural companions.

The Hawthorn Tree Mar 28 2021

Hawthorn Apr 16 2020 One of humankind's oldest companions, the hawthorn tree, is bound up in the memories of every recorded age and the plot lines of cultures all across the Northern Hemisphere. Hawthorn examines the little-recognized political, cultural, and natural history of this ancient spiky plant. Used for thousands of years in the impenetrable living fences that defined the landscapes of Europe, the hawthorn eventually helped feed the class antagonism that led to widespread social upheaval. In the American Midwest, hawthorn-inspired hedges on the prairies made nineteenth-century farming economically rewarding for the first time. Later, in Normandy, mazelike hedgerows bristling with these thorns nearly cost the Allies World War II. Bill Vaughn shines light on the full scope of the tree's influence over human events. He also explores medicinal uses of the hawthorn, the use of its fruit in the world's first wine, and the symbolic role its spikes and flowers played in pagan beliefs and Christian iconography. As entertaining as it is illuminating, this book is the first full appreciation of the hawthorn's abundant connections with humanity.

The Hawthorn Archive Sep 21 2020 The Hawthorn Archive, named after the richly

fabled tree, has long welcomed the participants in the various Euro-American social struggles against slavery, racial capitalism, imperialism, and authoritarian forms of order. The Archive is not a library or a research collection in the conventional sense but rather a disorganized and fugitive space for the development of a political consciousness of being indifferent to the deadly forms of power that characterize our society. Housed by the Archive are autonomous radicals, runaways, abolitionists, commoners, and dreamers who no longer live as obedient or merely resistant subjects. In this innovative, genre- and format-bending publication, Avery F. Gordon, the "keeper" of the Archive, presents a selection of its documents—original and compelling essays, letters, cultural analyses, images, photographs, conversations, friendship exchanges, and collaborations with various artists. Gordon creatively uses the imaginary of the Archive to explore the utopian elements found in a variety of resistive and defiant activity in the past and in the present, zeroing in on Marxist critical theory and the black radical tradition. Fusing critical theory with creative writing in a historical context, The Hawthorn Archive represents voices from the utopian margins, where fact, fiction, theory, and image converge. Reminiscent of the later fictions of Italo Calvino or Walter Benjamin's Arcades Project, The Hawthorn Archive is a groundbreaking work that defies strict disciplinary,

methodological, and aesthetic boundaries. And like *Ghostly Matters: Haunting and the Sociological Imagination*, which established Gordon as one of the most influential interdisciplinary scholars of the humanities and social sciences in recent years, it provides a kaleidoscopic analysis of power and effect. The Hawthorn Archive's experimental format and inventive synthesis of critical theory and creative writing make way for a powerful reconception of what counts as social change and political action, offering creative inspiration and critical tools to artists, activists, scholars across various disciplines, and general readers alike.

Under the Hawthorn Tree

Jun 30 2021 Ireland in the 1840s is in the grip of a terrible famine. When their father and mother go missing in a desperate search for food, the three O'Driscoll children are left to fend for themselves.

Their only hope is to find the great-aunts they have heard about in their mother's stories. *The Hawthorn Tree* Jul 12 2022 THE RHYMER KING TRILOGY - BOOK ONE - THE HAWTHORN TREE What if all those rhymes you were told as a child were real? What if they all lived in a world different to your own? And what if you were one of them and didn't even know it.....and had to save them all? Terry is a teenage orphan, having lost both his parents and grandmother in two separate fires as he was growing up. But he discovers that these tragedies may be more than a coincidence when he too is caught in a blazing inferno - and finds himself magically transported into an amazing world in which characters from old rhymes have come to bizarre, breathtaking and often frightening life. Learning that he is regarded as a Rhymer,

Terry also discovers that the legends of this rhyming world have prophesied that he must rescue the world's most sacred object - the Hawthorn Tree - from corruption by a malevolent being called the Duke of Despair. In order to do this, he must battle his way through a series of dangerous riddles, horrors and challenges, discovering more about his true identity as he does so, before eventually facing up to the terrifying Duke of Despair himself. "An epic fantasy adventure set in a spectacular rhyming world for young-at-heart readers of all ages."

Meisje vermist Aug 21 2020

'Meisje vermist' is het derde deel en slot van de Vermist-trilogie van Sophie McKenzie. Nu met politie niet betreden-elastiek. Wanneer Madison haar oudere zus Lauren bezoekt, onthult die dramatisch nieuws over hun biologische vader: hij was een anonieme spermadonor. Madison is vastbesloten de man op te sporen en al snel boekt ze resultaat. Tijdens haar heftige zoektocht ontdekt Madison een mysterieus netwerk van vermiste meisjes en geheime schuilplaatsen. Voordat ze het beseft bevindt ze zich in groot gevaar en is er geen weg meer terug. Is haar vader de man die hij lijkt te zijn?

Tips For Growing Hawthorn Tree Aug 01 2021 Hawthorn trees are strong deciduous trees with green leaves that are lobed, pink or white blooms, and small pome fruits that are tasty. They are also known as quickthorn trees, whitethorn trees, and thornapple trees. The hawthorn tree is a member of the genus Crataegus and is considered to be a dwarf tree because it normally only grows to a height of around thirty feet.

The Plant-lore & Garden-craft of Shakespeare Mar 16 2020 The Plant-Lore & Garden-Craft of Shakespeare by Henry Nicholson Ellacombe, first published in 1884, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for

better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it.
