Wat doe je als je weet dat de aarde over twee maanden kan vergaan? Eliza, Peter, Anita en Andy zitten in het laatste jaar van high

school en hebben heel verschillende ideeën over het leven, de liefde, vriendschap en de toekomst. Maar al die verschillen doen er opeens niet meer toe als er een komeet ontdekt wordt die de aarde snel nadert. De kans dat de wereld vernietigd zal worden is ongeveer vijftig procent. Iedereen heeft nog twee maanden om wat van het leven te maken. Twee maanden om écht te leven. 'Wallach laat de spanning tussen de personages stijgen en eindigt het verhaal met een schokkende climax.' Effective cross-cultural communication is mandatory for today's successful global business leaders. For companies and individuals looking to engage more successfully with their counterparts in Asia, Access to Asia showcases the critical people skills that drive global business success. A major new edition of the classic work that revolutionised the way business is conducted across cultures and around the globe. It provides leaders and managers with practical strategies to embrace differences and successfully work across

diverse business cultures. Capturing the rising influence and the seismic changes throughout many regions of the world, cross-cultural expert and international businessman Richard Lewis has significantly broadened the scope of his seminal work on global business and communication. Thoroughly updated to include the latest political events and cultural changes, as well as covering nine new countries to complete Europe, broadening the scope of the book. Building on his LMR model, Lewis gives leaders and managers practical strategies to embrace differences and work successfully across increasingly diverse business cultures. !--[if gte mso 9] Normal 0 21 false false false

De correcties is Jonathan Franzens alom bejubelde meesterwerk over de oude Enid en Alfred Lambert en hun drie kinderen Denise, Gary en Chip, die moeite hebben zich te ontworstelen aan de invloed van hun ouders. Denise is als eigenaar van een bekroond restaurant weliswaar maatschappelijk geslaagd, maar gescheiden en ongelukkig in de liefde. Gary, getrouwd en vader van drie kinderen, lijkt een succesvolle suburb-bewoner, maar hij lijdt aan de ziekte van de geslaagde man: hij vindt niets van wat hem vroeger plezier bracht nog de moeite waard. Het slechtst is Chip eraan toe. Aan zijn ooit veelbelovende universitaire loopbaan is door een seksschandaal een einde gekomen, en nu probeert hij zijn net afgeronde scenario aan een filmproducent te verkopen. Als hij bij toeval de echtgenoot van zijn minnares ontmoet komt hij terecht in een maalstroom van hilarische en volstrekt onvoorspelbare gebeurtenissen. Intussen probeert Gary het familiekapitaal van zijn dementerende vader te behoeden voor totaal verval en gaan de oude Enid en Alfred hun noodlot tegemoet op een cruiseschip. Jonathan Franzen geeft met De correcties een hilarische en overrompelende visie op de ziel van de westerse maatschappij. Nu al kan het boek met recht een van de grote romans van de 21ste eeuw worden genoemd. Jonathan Franzen (1959) woont en werkt in New York. In 2001 won hij de National Book Award voor De correcties, waarvan wereldwijd miljoenen exemplaren werden

verkocht. Hij publiceerde eerder de romans De 27ste stad en Schokgolven. The book discusses new insights garnered from recent research into the importance of leadership in health system redesign and highlights the practice of shared or distributed health care leadership. New chapters covering LEADS in a national, regional, Indigenous, health profession, and people-centred care context provide new insights into how LEADS is being put to work to transform health systems. The LEADS framework has been refreshed in relation to each of its different elements and tools, with an emphasis on providing real-life examples of how LEADS has been put to work. LEADS is also explained as a change leadership model and in relation to how it helps to level the playing field in terms of gender and diversity in health leadership. The book aims to inform the leadership needs of health reform and its emergent system wide challenges. The content is relevant to health care administrators and professionals working within the public service, academic institutions, and health care delivery organisations. In this thoroughly updated and expanded third edition of this groundbreaking book Richard Lewis includes every major region of the world and more than 60 countries. Capturing the rising influence of culture and the seismic changes throughout many regions of the world, cross-cultural expert and international businessman Richard Lewis has significantly broadened the scope of his seminal work on intercultural

communication. Included are new chapters on more than a dozen countries. Within each country-specific chapter, Lewis provides invaluable insight into the beliefs, values, behaviors, mannerisms and prejudices of each culture, lending helpful advice on topics to discuss and those to avoid when communicating, guides to interpreting unique terminology, and modes of behavior that will contribute to successful communication and lasting relationships. Lewis advises on overarching guidelines for proper overseas manners, whether in a restaurant, at the home of a colleague or in the boardroom. Using dozens of scientific, yet highly accessible diagrams and building on his Linear-active, Multi-active and Reactive (LMR) culture type model, Lewis gives managers and leaders practical strategies to embrace differences and work successfully across an increasingly diverse business culture.

Leadership Across the Globe aims to serve a growing interest in how to lead in a global or cross-cultural environment. This book focuses on the corporate setting, with illustrations, theories, and evidence from various regions around the world. The book includes coverage of culture and diversity issues in leadership, as well as a comprehensive, detailed exploration of the comparative aspects of leadership. Generously illustrated with cases, boxed profiles, figures, and examples from a wide range of organizations, this is a relevant resource for anyone seeking a leadership career on a global scale, in multinational enterprises, or in a multi-cultural context. As the first book in the field of leadership studies to approach sustainability as a multi-faceted leadership challenge, Leadership for Environmental Sustainability will help to set the terms of the discussion on this topic among students, scholars, and practitioners of leadership for years to come. It explores the connection between leadership and sustainability from a variety of disciplinary perspectives, including sociology, history, psychology, business, literature, communication, and the arts. With short chapters edited for readability, the book is aimed at scholars, practitioners, students,

and educated lay readers interested in cutting-edge research and thinking on this topic. This book provides a reference for senior executives or those aiming to obtain a cross-border career, to understand cultural differences across societies, and how to act socially desirable. This publication contains contributions from more than 90 researchers from 29 countries who participated in the 'Cross-Cultural Business Skills' elective offered by the Amsterdam University of Applied Sciences (HvA). Helder, kort, rustig, vriendelijk en oprecht. Dat zijn de belangrijkste kenmerken van compassievolle communicatie, een nieuwe methode om beter te leren communiceren met collega's, bazen, klanten, kinderen, geliefden etc. De auteurs ontwikkelden twaalf communicatietechnieken waarmee je vertrouwen kunt winnen, conflicten kunt oplossen en meer intimiteit kunt creëren. Regelmatig toepassen van die technieken verbetert het functioneren van het brein aanzienlijk. This second issue in the 'World-wide workforce' series provides you with a comprehensive analysis of recruiting practices in Argentina, Austria, Belgium, Canada, Finland, Hong Kong, India, Ireland, Korea, Norway, Singapore, Spain, Switzerland, the United Kingdom and the United States of America. This book shows how domestic recruiting conventions often differ significantly from those in other countries. Comparative desk research, focus interviews with and online polling of HRM professionals in the mentioned

countries made us realise how much cultural factors can affect job search strategies across the globe. World-wide workforce provides an easy-to-use reference for those aiming at a cross-border career, or those interested in international HRM issues. International teams are rapidly becoming the central operating mode for global enterprises. They are often agile and perceptive, know local markets better than HQ does, lead innovation and exploratory ventures, and are more culturally aware than their parent company. But how much autonomy should they be allowed? How can we get things done with colleagues who have different worldviews? How can we strike a balance between core values and the necessary diversity - and is diversity within the team a strength or a hindrance? What is the role of the team leader in all of this? How do you establish team trust? How important is team humor? Who decides the team's ethics? What misunderstandings can arise in a virtual team, lacking face-to-face contact? In answering these and other questions, Richard D. Lewis draws on 30 years experience mediating with hundreds of international teams in two dozen countries. Generously illustrated with explanatory diagrams, *When Teams Collide* analyses profiles of 24 different nationalities and suggests how they should be led for best results. Commenting on vital considerations of leadership, team trust, ethics and humor, the author also evaluates the relationship between teams and HQ. Applying the cultural concepts in the bestselling *When Cultures Collide* specifically to team leadership, this is a wide-ranging and compelling account of how to handle what is a difficult and sensitive task. *International Management: A Stakeholder Approach* applies a practical, engaging and real time approach to the evolving topics related to International Management. In thirteen chapters, the authors discuss the complexities managers must address when making decisions in a global marketplace, including the complexity of globalization; the external global environment; ethics and social responsibility; culture;

communication; entry strategies; global strategies; management decision making; motivation; leadership and organizational change; and human resources. Allemaal andersdenkenden is een van de invloedrijkste boeken van de afgelopen decennia. Het is een standaardwerk voor wie denkt over en werkt met cultuurverschillen: overheid en bedrijven, NGO's, studenten, reizigers en krantenlezers. Dit is de jongste, opnieuw herziene editie van Geert Hofstede's baanbrekende studie naar de manier waarop wij in ons denken, voelen en handelen beïnvloed worden door de cultuur waarin we zijn opgegroeid. De 'dimensies van Hofstede' hebben blijvend bijgedragen aan wederzijds begrip tussen mensen in bedrijven, organisaties en andere sociale systemen over de hele wereld. Van Allemaal andersdenkenden werden wereldwijd 500.000 exemplaren verkocht, in 21 talen. The successful managers for the next century will be the culturally sensitive ones. You can gain competitive advantage from having strategies to deal with the cultural differences you will encounter in any international business setting. Richard Lewis provides a guide to working and communicating across cultures, and explains how your culture and language affect the ways in which you think and respond. This revised and expanded edition in paperback of Richard Lewis's book provides an ever more global and practical guide not just to understanding but also managing in different business cultures. New chapters on more than a dozen countries - from Iraq, Israel and Pakistan to Serbia, Columbia and Venezuela - vastly broaden the range. Representing the fruit of a lifetime of reflection and practice, this comprehensive resource helps teachers understand the way people in different cultures learn so they can adapt their teaching for maximum effectiveness. Senior missiologist and educator Craig Ott draws on extensive research and cross-cultural experience from around the world. This book introduces students to current theories and best practices for teaching and learning across cultures. Case studies, illustrations, diagrams, and

sidebars help the theories of the book come to life. Like it or not, every business—even one conducted from the kitchen table—is global. No matter the industry, employees now routinely travel to other countries or interact with foreign customers, vendors, or fellow employees. Or they conduct business over the phone, via e-mail, or through video links. As a result, they have to understand international customs and etiquette or risk losing customers or botching business relations. And understanding business customs in other cultures isn't merely playing good defense—it often leads to new products or service enhancements that help an enterprise grow. In *Passport to Success*, Jeanette Martin and Lillian Chaney apply their expertise in business etiquette, training, and intercultural communications to present a practical guide to conducting business successfully around the world. Each chapter in this book presents in-depth information on the business environment and culture in the top twenty trading partners of the United States: Canada, Mexico, Japan, China, United Kingdom, Germany, South Korea, Netherlands, France, Singapore, Taiwan, Belgium, Australia, Brazil, Hong Kong, Switzerland, Malaysia, Italy, India, and Israel. Chapters contain both practical tips and illustrative examples, and the book concludes with a listing of resources (books, magazines, organizations, and Web sites) for additional information. In addition, *Passport to Success* contains useful overview material that will help business people plan a trip abroad or a campaign to win customers in another country. Besides trade statistics and information on global trade agreements, readers will find information on using the Internet productively to conduct or seek business, how women can succeed in countries with traditional, male-oriented business cultures, how to build cross-cultural relationships, and ways language can enhance—or obstruct—business dealings. Every businessperson is now a player in the global market for goods and services. This book provides valuable tips that will help people avoid missteps and increase their sales and personal success

when dealing with counterparts in other countries. Wat gebeurt er als de presidentszoon valt voor de prins? Je leest het in 'Rood, wit en koningsblauw' van Casey McQuiston. "Het is bijna onmogelijk om mee te maken hoe Alex voor Henry valt zonder zelf verliefd op hem te worden - op hen allebei, én op dit briljante, geweldige boek." Dat schreef de New York Times Book Review bij verschijning van 'Rood, wit en koningsblauw' van Casey McQuiston. Deze heerlijke romcom gaat over Alex, zoon van de Amerikaanse president, en Henry, Britse prins. Meteen zodra zijn moeder wordt verkozen tot president, wordt Alex Claremont-Diaz gebombardeerd tot Amerikaanse royalty: hij is knap, charismatisch en nog intelligent ook. Het publiek vreet hem op. Eén probleempje: Alex ligt in de clinch met een échte prins, Henry, aan de andere kant van de grote plas. En als de tabloids daar lucht van krijgen, worden Alex en Henry gedwongen om te doen alsof ze het goed hebben gemaakt. Maar wat begint als een nepvriendschap, groeit uit tot iets diepers en veel gevaarlijkers. Kan liefde de wereld redden? Ook als die liefde er anders uitziet dan verwacht? Casey McQuiston sleept je met 'Rood, wit en koningsblauw' mee in een verhaal vol humor en liefde.

Richard Lewis provides a truly global and practical guide to working and communicating across cultures. The successful managers of the 21st century will be the culturally sensitive ones. Maintain peace of mind while you are working or living abroad wherever and however you travel. As an international traveler, you know there are risks. Londen, 1757. De Engelse Kroon heeft Lord John, edelman en majoor in het Britse leger, juist benoemd tot leider van een onderzoek naar de brute moord op een soldaat, die er van wordt verdacht een spion te zijn. Daarnaast heeft Lord John nog een ander probleem, dat hem in zijn onderzoek hindert. Hij heeft ontdekt dat de verloofde van zijn

nicht en nogal gevoelig medisch probleempje heeft dat de goede naam van zijn familie kan ruïneren. Hij moet het huwelijk van zijn nicht zien te voorkomen zonder de hele stad in opschudding te brengen en tegelijkertijd een moordonderzoek leiden dat al snel een zeer vreemde wending neemt. Het dubbelleven van Lord John is Gabaldon's eerste roman over Lord John Grey, een van de populairste personages uit de Reiziger-serie, waarvan er inmiddels wereldwijd al vele miljoenen exemplaren verkocht zijn. De Reiziger is een verhaal vol passie en avontuur, angst en verraad... en een liefde die alle barrières van plaats en tijd overstijgt. De Netflix-serie Outlander is gebaseerd op de boeken van Diana Gabaldon. getAbstract Summary: Get the key points from this book in less than 10 minutes. Richard D. Lewis, an expert on cross-cultural and language training who has tutored clients from Swedish corporate executives to the Japanese Imperial Family, discusses the need to consider cross-cultural differences in managing any company in today's global world. He suggests a broad model you can use to characterize different national characteristics as linear-active, multi-active, and reactive. These traits shape attitudes toward time, leadership, team building, and affect a range of organizational behaviors. Lewis includes brief national profiles you can refer to when doing business away from home. This in-depth book covers common patterns in different cultures, and offers many examples of how different groups act under different situations. getAbstract recommends this book to top executives, managers and anyone who works in a multicultural business environment, as well as to general readers with a yen for informed people watching. Book Publisher: Nicholas Brealey Publishing Nemesis lijkt een doodgewoon meisje, maar niets is minder waar. Ze is een Diabolic, gemaakt om te doden. Op jonge leeftijd wordt ze gekocht door een adellijke familie om hun dochter Sydonia te beschermen - zo nodig met haar leven. Als Sydonia zich moet melden aan het hof van de keizer, die duidelijk kwaad in de zin

heeft, neemt Nemesis haar plaats in. Niemand mag ontdekken wie en wat ze werkelijk is. Maar dan ontmoet ze Tyrus, de toekomstige opvolger van de keizer. Is het wel waar wat haar altijd is verteld? Hebben Diabolics dan toch gevoel, ergens diep vanbinnen? Samenvattingen van vijftig als klassiek te beschouwen boeken over psychologie, met speciale aandacht voor de spirituele kant van de psychologie of psychiatrie. Theodore Finch is gefascineerd door de dood en wil een einde aan zijn leven maken, maar elke keer gebeurt er iets waardoor hij het toch niet doet. Violet Markey telt de dagen af tot haar diploma-uitreiking, zodat ze het bekrompen stadje waar ze opgroeit voorgoed achter zich kan laten en niet langer geconfronteerd hoeft te worden met de pijnlijke herinneringen aan haar gestorven zus. Wanneer Finch en Violet elkaar op de rand van de hoge klokkentoren op school ontmoeten, is het niet helemaal duidelijk wie wie redt. Maar vanaf dat moment groeit er iets van vriendschap tussen hen. Langzaam maar zeker geven ze hun geheimen aan elkaar prijs: Violet ontdekt dat Finch niet de enge freak is waar iedereen hem voor houdt en Finch leert Violet weer van het leven te houden. Violet bewaart Finch' geheim angstvallig, maar kent zij wel al zijn geheimen? Leaders present lessons learned, strategies, challenges, and successes in easy-to-read narratives highlighting their diverse experiences with context, culture, power, gender and sustainability. Als eindredacteur van het televisieprogramma Voetbal International maakte journalist Michel van Egmond de opkomst, ondergang en wederopstanding van het mediafenomeen René van der Gijp van dichtbij mee. Hij schreef er dit boek over. 'Gijp' is de schets van een aantal turbulente maanden in het doorgaans zo kalme leventje van René van der Gijp. Tegelijkertijd is het een blik achter de schermen van het populaire tv-programma Voetbal International en een intiem portret van een geboren zondagskind, met aandacht voor zijn jeugdijaren, zijn spelerscarrière zijn levensvisie, zijn humor en zijn 'vliegende inzinking', zoals hij de burnout die hem maanden van het scherm

hield, zelf omschrijft. This new book explores the recent issue of cross-cultural management from both theoretical and research perspectives. It considers the impact of knowledge, experience, and exposure of cross-cultural differences in developing a global viewpoint and citizenship in the corporate workplace. The volume throws light on the emerging concepts of building global citizens who are willing to think beyond boundaries of place, identity, and category, and to recognize all human beings as their equals while respecting humanity's inherent diversity. The effective use of cross-cultural teams can provide a source of experience and innovative thinking to enhance the competitive position of organizations. However, cultural differences can interfere with the successful completion of goals in today's multicultural global business community. To achieve project goals and avoid cultural misunderstandings, managers should be culturally sensitive and promote creativity and motivation through flexible leadership. The chapter authors in this volume look at these challenges by reviewing and conducting empirical studies, roundtables, and focus discussions. The volume tackles a variety of issues, including enterprise resource planning (ERP), talent management, differences in individual work performances, differences in leadership styles, virtual work relationships, and much more. It looks at the challenges in establishing crosscultural workplaces, such as the overcoming significant barriers in multi-cultural project communications and motivating project team members. The successful managers for the next century will be the culturally sensitive ones. You can gain competitive advantage from having strategies to deal with the cultural differences you will encounter in any international business setting. One of the most significant and yet largely overlooked factors influencing performance and workplace problem solving in many large organizations is that of national culture. Managers, and the organizations for which they work, need to be able to understand the influence of cultural values and beliefs on performance in order to identify appropriate solutions; strategies appropriate in one part of the world may be ineffective or even counter-productive in another. Bryan Hopkins' ground breaking book relates the concept of cultural dimensions, as developed by

writers such as Hofstede and Trompenaars, to the performance engineering approaches of Gilbert and Mager and Pipe, to show how strategies for solving workplace performance problems need to consider the cultural composition of the workforce. It then provides a practical structure for problem solving within the context of an international, multi-cultural environment. This is a book for both managers working in an international setting or for those in national organizations who are dealing with the challenge of culturally diverse workforces. It's also a book for governments seeking to understand the potential implications of national culture on civilian or even military interventions. With limited empirical research available on online teaching across cultures especially with Native and Hispanic American students, this book will present the findings of a two-year, Spencer-funded study in creating an inclusive (i.e., multicultural and intergenerational) instructional design model for online learning. The book is expected to provide the readers a field guide of teaching approach (comprising pedagogical, technical, relational and other suggestions for teaching) for inclusive e-learning, with a foundation in the research on how students from different cultures and generation groups learn online. This two-year, multi-course-site study, as a first effort to examine online college teaching and learning effective across culture and age, contributed a list of important findings on the following questions:

- To what extent are online learning and interaction experiences and performances consistent across varied ethnic/cultural, and age groups and in what ways do they vary?
- What online instructional contexts do students and faculty, especially non-traditional and minority students, identify as supporting learning and student success?
- What are the relationships between online instructional contexts, online learning performance, and learning success of students with diverse ethnicity/culture and age background?

By consolidating the findings for the aforementioned research questions, the researchers of this study have developed

a data-driven online instructional design model that can work as a field guide on cross-cultural and intergenerational teaching and learning for online education practitioners. Het klassieke werk over de wereldpolitiek nu weer beschikbaar In Botsende beschavingen haalt Huntington de illusie van harmonie tussen culturen genadeloos onderuit en stelt hij het conflict centraal. Oorlogen tussen nationale staten en ideologieën zijn verleden tijd. Toekomstige conflicten zullen verlopen volgens de breuklijnen van culturen en beschavingen. Huntington onderscheidt in dit werk negen beschavingen in de nieuwe wereldorde, die gedomineerd zullen worden door de westerse enerzijds en de Chinese en islamitische anderzijds. Botsende beschavingen is een belangrijk document over de toestand van de wereld.
