Prentenboek met grote platen in zachte kleuren. Vanaf ca. 4 jaar. Seans gezicht raakte door een ongeluk in zijn jeugd zwaar verminkt. Tijdens zijn lange revalidatie bedacht hij een ingenieuze game, die door aanwijzingen van hem via de post wordt gespeeld. De spelers sturen steeds per brief hun keuze uit Seans vier aanwijzingen. Als je strategisch kiest, blijf je leven in het spel en kun je het verborgen bolwerk in Seans fantasiewereld bereiken. Twee pubers zijn er echter van

overtuigd dat Seans verbeelding geen fantasie maar werkelijkheid is en trekken eropuit. Ze weten niet dat Sean door zijn misvorming de echte wereld nooit heeft gezien. Pas als ze zijn vier aanwijzingen negeren en een vijfde aanwijzing aan Sean sturen, beseft hij waar ze mee bezig zijn. In dit weergaloze debuut stelt Darnielle zijn stijl ten dienste van het verhaal. Trefzeker laat hij zien hoe de onzekerheid van pubers vreselijke gevolgen kan hebben. Jodi Picoult kruipt in de huid van haar personages die voor onmogelijke keuzes worden gesteld. De lezer kan niet anders dan zich afvragen: wat zou ik doen in deze situatie? Luke Warren heeft zijn leven lang wolven bestudeerd in de bossen van Canada. The women's beliefs and experiences are recounted within the narrative frame of traditional gatherings where women meet with their spindles and distaffs to spin. They share advice on such important matters as how to control errant husbands, how to predict the gender of future offspring, how to cure common diseases, and ways to deal with evil spirits, providing a rare look into the intimate lives of medieval peasant women. This edition includes a facing-page

translation (the first in English since 1510) of the two Old French manuscripts of the text. The critical introduction discusses the literary context, textual history, and cultural significance of *The Distaff Gospels*, while the rich selection of appendices includes translations of the names of the women storytellers and excerpts from works by Giovanni Boccaccio, Jean de Meun, François Villon, and Christine de Pizan. "I can't pay." She took another step. It brought her level with his outstretched legs. One more tiny step brought her between them. "But I have a proposition." LUCAS LEBRAY is the biggest, baddest wolf in town. A sexy shifter who likes to pretend there isn't much more to him than fun and games. He owns the local garage, which just happens to be directly across the street from the deli owned by the only woman he's ever wanted down to his bones. The problem is, she's miles out of his reach. Deserves better than dirty, oil-soaked hands and the wolf that goes with them. SOFIA RIVERA is hard up. Hot and bothered and the only thing that's going to help, is a dose of Luc LeBray. She's seen the tricky wolf's hidden core of integrity through the plate glass windows of her store. Some nights, she'll

turn out the lights and watch him across the street, taking things apart and putting them back together. The way she wants him to do to her. So she devises what should have been a simple plan. She takes a wrench to her car's engine and makes Lucas a scandalous offer. Trade services. When she whispers those words in his ear, Lucas's resolve to do the right thing snaps and Sofia finds herself the focus of a silver-eyed wolf who demands everything she has. *Wolf Down* is the third book in bestselling author Novalee Swan's *Shifter Town* series. Captured me. Consumed me and refused to let me go until I loved him. It wasn't that hard. But now my past is knocking, and my crazy man is about to find out that I don't need protection from anyone. Want to identify fiction books that boys in grades three through nine will find irresistible? This guide reveals dozens of worthwhile recommendations in categories ranging from adventure stories and sports novels to horror, humorous, and science fiction books. Kochel provide compelling and current reading suggestions for younger boys--information that educators, librarians, and parents alike are desperate for. Comprising titles that are almost all well-reviewed in at least one major professional journal, or that are such big hits with kids that they've received the stamp of approval from the most important reviewers, this book will be invaluable to anyone whose goal is to help boys develop a healthy enthusiasm for reading. It includes chapters on adventure books; animal stories; graphic novels; historical fiction; humorous books; mystery, horror, and suspense titles; science fiction and fantasy; and sports novels. Within each chapter, the selections are further divided into books for younger readers (grades 3-6) and titles for older boys in grades 5-8. Packed with battles, blood and thrilling adventure, the third blood-stirring chapter in the story of Raven and his fellow Viking warriors is historical

fiction at its very best. We lusted for an even greater prize... It is the one prize that can never be lost or stolen or burnt. And we would find it in Miklagard... Raven and the Wolfpack have suffered. Good men have died and the treasures they fought so hard for have been lost. But to such men as these there is something more valuable than silver. That thing is fame -- for fame is the saga-story that a Viking warrior leaves behind when he dies. Now the sea road leads to Constantinople, which Norsemen call Miklagard, the Great City, for it is there that they might find both riches and glory. But the Great City is far away and the voyage there takes the Fellowship in to unknown waters where they face new enemies. From the wind-whipped marshes of the Carmargue to the crumbling walls and arenas of a decaying Rome, Raven must fight harder for his life than ever before. He must prove himself to others -- and he must watch his back too, for an old enemy is sharpening his treacherous claws. The young warrior with the blood-tainted eye will even challenge the Norns of fate who, it is said, have spun his doom. But the Valkyries are stalking, eager for new heroes to take to Ódin's hall. The clash of sword and axe and spear will

ring out in Miklagard and the Fellowship will pay a high price in blood for the fame they seek. "There will come a time in our world when greed, power and wealth will overrule good judgment, and packs will be destroyed." In the blink of an eye, everything can change, altering life as we know it forever. Sabrea has struggled her whole life with the guilt of not being a perfect wolf. She never wanted to meet her mate for fear of disappointing him by not being what he needs. Even going so far as to avoid the one place where she already smelled him. Fate has other ideas. Thor, Gamma of the Raber wolf pack, plays the field and loves every minute of it. That all ends with one whiff of his mate. Nothing can stop him from finding her, having her, claiming her. As Thor and Sabrea come together, threats to the pack make themselves known, leaving many lives hanging in the balance. Can the Raber wolf pack defeat their enemy? Can they protect all of the wolves, and keep the humans safe in the process? This is the action-packed conclusion to the Raber Wolf Pack Series.
