Vier vrouwen uit een klein vissersdorp in de staat Oregon laveren tussen deze nieuwe beperkingen op het vrouwenlichaam en moederschap. De alleenstaande lerares Ro probeert wanhopig zwanger te worden voordat ze te oud is. Susan, de gefrustreerde moeder van twee kleuters, zit vast in een uitzichtloos huwelijk dat haar carrière als advocate in de kiem heeft gesmoord. De vijftienjarige Mattie is ongewenst zwanger. De natuurgenezers Gin kan ze allemaal helpen – totdat zij het slachtoffer dreigt te worden van een hedendaagse heksenjacht. 'Rode klok' is een angstaanjagend plausibele, meeslepende roman over vrouwen van vlees en bloed: The Handmaid's Tale voor het huidige moment. Are you harnessing the power of a journal? Just some of the benefits of journaling are: Allows you to reflect on your life and the changes you are choosing to make or not make Clarifies your thinking and as Tony Robbins says "Clarity is Power" Houses all your million dollar ideas that normally get lost in all the noise of life Exposes repeated patterns of behaviors that get you the results you DON'T want Acts as a bucket for you to brain dump in - a cluttered mind leads to a disorganized life Revisits daily situations giving you a chance to look at it with a different perspective Doesn't crash and lose everything you put into it like electronics (just like electronics though don't get it wet) You may want to keep multiple journals. One that contains your truest and most secret feelings that you guard heavily, but need a way to express. Another that contains all those fantastic ideas, dreams and awesome goals. Product Details: Premium Glossy finish cover design Perfect for all writing mediums Useful recipe format 6" x 9" Ink color with 120 white pages "It was a warm fall evening in Beijing when the idea for this book was born. Three social work academics, one Chinese and two Americans, discussed the state of the world for women in the 21st century and the longing for a text that could describe the struggles, and the successes of women in the fight for equity and safety throughout the world, on the table of Beijing style hotpot. As professors and feminist researchers, three of us share some similar but different research interests; Kristen's work is extensively on sexual violence in the United States; Annalisa, as a Philippine American Scholar, has been working on sex trafficking issues in Philippines and throughout the world; while Xiyang, as a Chinese scholar with overseas training, has paid attention to dating violence, domestic violence, and school-bullying. Through the discussion, we found that though our research topics are different, the underlying issues of gender inequality and the surrounding social structures are similar, no matter the place on earth. A short time later, we invited Eugenia whose expertise on feminist global issues, and her being of mixed heritage and from Latin America, as well as her vast editorial experience, could help us make this book everything we knew it needed to be for maximum impact. We felt a compelling need to create a book in a collaborative spirit to include expert contributors that would provide a global lens to survey parts of the world - not just one region, one race, one voice- and study the intersectional issues of gender, race, class, culture, politics that arise in gender-based violence and the advocacy efforts to fight injustice and promote equality for women and girls, across the world"-- Are you harnessing the power of a journal? Flora 717 is geboren in de laagste klasse van haar hiërarchische gemeenschap. Ze is een schoonmaakster, die alleen mag opruimen en de dode bijen uit haar bijenkast moet verwijderen. Werk en opoffering zijn de grootste deugden in de gemeenschap, en het aanbidden van de geliefde Koningin is de enige religie. Maar wanneer Flora de belangrijkste wet schendt en de vruchtbaarheid van de Koningin aan de kaak durft te stellen, brengt ze chaos in het rigide en ordelijke leven van de bijenkast. Haar instinct om te dienen en te offeren wordt overschaduwed door een diepere behoefte. Dit verlangen brengt haar in conflict met haar hart en geweten, en zal haar wereld voor altijd veranderen. Laline Paull is geboren in Engeland en van Indiase komaf. Ze studeerde Engels in Oxford en schrijft toneelstukken, filmscripts en televisieseries. De bijen is haar eerste roman. Ze woont aan zee met haar man, fotograaf Adrian Peacock, en haar drie kinderen.
